The Department of Education is Western Australia's largest employer with approximately one third of the Government workforce in some 800 worksites across the State. The Department's annual budget is approximately \$4.5 billion.

The major objectives of the Department are to achieve excellence in the public school system and to provide access for all Western Australian students to a quality education irrespective of their background or geographical location.

The Department is committed to achieving these objectives by:

- attracting and retaining a highly skilled and capable workforce
- supporting all learners to achieve their full potential, including those with special educational needs and interests
- ensuring all public schools maintain excellence in the quality of education and the teaching and learning environment.

The principles underpinning the Department's objectives for the public school system in Western Australia are:

- working collaboratively to achieve outcomes
- accepting responsibility and accountability for the achievement of outcomes
- enabling flexible, innovative and diverse work practices
- promoting confidence in the professional judgement of the Department's staff.

The Department operates within a framework of principles and values that are applied in all decision-making contexts. These are:

- a culture of learning and excellence
- an expectation of accountability and action
- a commitment to partnerships, professional collaboration and stakeholder involvement
- an environment in which diversity and equity are valued.

Further context about the particular school or college in which the vacancy is being advertised is available on the Department's website. Please visit <http://www.det.wa.edu.au/schoolsonline/home.do> and enter the school or college name in the *Find a School* field.

ROLE

An Education Assistant (Special Needs) supports the Department's main objective of teaching and learning of students through assisting the teacher in delivering planned education programs and encouraging a supportive and inclusive learning environment.

Employees at this level work under general supervision and guidance performing tasks that require limited discretion and judgement in achieving clearly defined outcomes determined by the teacher. Employees will be able to apply techniques, skills and knowledge of relevant principles and practices acquired through previous experience, on the job learning or relevant qualification.

Under general guidance, the Education Assistant (Special Needs) can be expected to perform tasks within the following range:

- under teacher direction, assists in the implementation of specialised education programs such as occupational therapy, speech therapy and physiotherapy programs
- assists teacher in the delivery of planned education programs, including the operation of computers and digital technologies, and implements individual student or small group programs or demonstrations
- when required, provides feedback on education and therapy programs and participates in the evaluation process relating to the achievement of goals in special education
- assists the teacher or therapist to understand when there is communication difficulty between them and a student
- under teacher direction, provides feedback to caregiver/parent as to student progress
- collects resources and administrative documents
- manages classroom resources or storeroom by maintaining and updating inventory lists, monitoring stocklevels and requirements, and submits requisitions to the teacher for approval
- ensures the safe and hygienic storage and handling of foodstuffs and food preparation utensils.

In addition, it is expected that the range of duties contained within Schedule A, when required to be performed, will be achieved at a higher competency than those reached by Level 1 Education Assistants.
