

Application for: **Research Officer (Molecular Biologist) 20165027, Agriculture and Food, Department of**

## 1. Additional Information

If you are lodging your application online: For security reasons, this session will time-out after one hour. If you are logging on as a first time user a password will be emailed to you during the application process. You can use this password to log into the job board and continue or modify your application if you don't complete it in one sitting, as information will be saved. Note: Changes to your application can only be made prior to the nominated closing date and time. You may wish to write your responses to the Application Questions in Word (or similar) first. There is no spell or grammar check on this system.

Your application must demonstrate your competitive suitability. It is recommended that you read all information to applicants prior to submitting an application. A comprehensive CV demonstrating your competitive suitability is all that may be required to support your claim.

To be eligible for a permanent appointment to the Western Australian public sector it is essential that you are an Australian citizen or have permanent residency status in Australia. To be eligible for a fixed term appointment you must have documentary evidence of your entitlement to live and work in Australia for the period of the contract.
