TITLE	Senior Medical Imaging Technologist	POSITION NO	607015
		CLASSIFICATION	HSO P-2

The WA Country Health Service (WACHS) is the largest country health system in Australia and one of the biggest in the world, providing health services to approximately half a million people, including 45,000 Aboriginal people, over a vast two and a half million square kilometres area.

WA Country Health Service hospitals handle as many births as the State's major maternity hospital – and as many emergency presentations as Perth metropolitan hospitals combined. The range of health services provided cover population health, mental health, Aboriginal health and aged care.

Our dedicated and committed staff work hard to fulfil our purpose *Working together for a healthier country WA*, to deliver health services that support the health and well-being of individuals and communities in rural and remote Western Australia.

## **OUR PURPOSE**

To improve, promote and protect the health of country Western Australians.

## **WHAT WE STAND FOR**

**Quality health services for all.**

**Improving the health of Aboriginal people and those most in need.**

**A fair share for country health.**

**Supporting our team – workforce excellence and stability.**

## **OUR VALUES**

**Community** – making a difference through teamwork, generosity and country hospitality.

**Compassion** – listening and caring with empathy and dignity.

**Quality** – creating a quality health care experience for every consumer.

**Integrity** – accountability, honesty and professional, ethical conduct in all that we do.

**Justice** – valuing diversity with a fair share for all.
