## Overview of Directorate

The **Integrated Transport Planning Directorate** provides strategic leadership within the Transport Portfolio by defining the form and function of the transport network for moving people and moving freight; by establishing infrastructure development priorities in the medium and long terms; by developing concept plans and integrated solutions for multi modal corridors; and, by developing and implementing integrated transport plans, planning policy and demand management strategies for major urban centres.

## Overall Purpose of the Role

- Responsible for the effective management of the Perth Parking Policy, projects and initiatives in the inner city which includes high level liaison with public and private sector organisations and industry representatives.
- Develop integrated transport plans to achieve balanced transport outcomes in major urban centres.
- Coordinate responses to major urban centres planning and development proposals to ensure a safe, accessible and sustainable transport network.

## Work Description

- Responsible for the effective management of the Perth Parking Policy team.
- Leads the development and implementation of research, analysis plans and policy relating to the Perth Parking Management Act and Perth Parking Policy.
- Provides key Departmental input to the assessment of land use plans and development applications for central Perth as these impact on the transport network.
- Works in collaboration with other State transport agencies and the City of Perth to propose major transport services and infrastructure plans and amenity improvement initiatives to be funded through the Perth Parking Fund, in accordance with the *Perth Parking Management Act 1999*.
- Leads and coordinates the preparation of business cases and agreements for projects and initiatives which support the Perth Parking Management Act's outcomes and ensures consistency with the Act.
- Establishes, develops and monitors performance frameworks to support the effective implementation of Perth Parking Policy infrastructure initiatives.
- Monitors industry/government trends and developments related to urban development and transport planning.
- Contributes to the development of directorate and organisational strategic and operational plans, programs and strategies.
- Represents the Department on relevant internal and external committees and working parties as required and presents at conferences and workshops as invited.
- Other duties as required.
