## Brief Summary of Duties (in order of importance)

### 1. Clinical

- 1.1 Provides comprehensive evidence based nursing care and individual case management to a specific group of patients/clients including assessment, intervention and evaluation.
- 1.2 Undertakes clinical shifts at the direction of senior staff and the Nursing Director including participation on the on-call/after-hours/weekend roster if required.
- 1.3 Responsible and accountable for patient safety and quality of care through planning, coordinating, performing, facilitating, and evaluating the delivery of patient care relating to a particular group of patients, clients or staff in the practice setting.
- 1.4 Monitors, reviews and reports upon the standard of nursing practice to ensure that colleagues are working within the scope of nursing practice, following appropriate clinical pathways, policies, procedures and adopting a risk management approach in patient care delivery.
- 1.5 Participates in ward rounds/case conferences as appropriate.
- 1.6 Educates patients/carers in post discharge management and organises discharge summaries/referrals to other services, as appropriate.
- 1.7 Supports and liaises with patients, carers, colleagues, medical, nursing, allied health, support staff, external agencies and the private sector to provide coordinated multidisciplinary care.
- 1.8 Completes clinical documentation and undertakes other administrative/management tasks as required.
- 1.9 Participates in departmental and other meetings as required to meet organisational and service objectives.
- 1.10 Develops and seeks to implement change utilising expert clinical knowledge through research and evidence based best practice.
- 1.11 Monitors and maintains availability of consumable stock.
- 1.12 Complies with and demonstrates a positive commitment to Regulations, Acts and Policies relevant to nursing including the Code of Ethics for Nurses in Australia, the Code of Conduct for Nurses in Australia, the National Competency Standards for the Registered Nurse and the Poisons Act 2014 and Medicines and Poisons Regulations 2016.
- 1.13 Promotes and participates in team building and decision making.
- 1.14 Responsible for the clinical supervision of nurses at Level 1 and/or Enrolled Nurses/ Assistants in Nursing under their supervision.

### 2. Education, Training and Research

- 2.1 Engages in continuing professional development/education and ensures continuous registration in the category of Registered Nurse with the Nursing and Midwifery Board of Australia as per essential criterion 1.
- 2.2 Participates in supervision, professional development and clinical consultation activities with the supervising senior nurse.
- 2.3 Assists with supervision and development of undergraduate nursing students and others as directed by senior staff.
- 2.4 Plans, develops and implements education programs for patients/colleagues/consumers.
- 2.5 Participates in evidence based clinical research activities where applicable.

### 3. EMHS Governance, Safety and Quality Requirements

- 3.1 Ensures, as far as practicable, the provision of a safe working environment in consultation with staff under their supervision.

3.2 Participates in an annual performance development review and undertakes performance development review of staff under their supervision.

3.3 Supports the delivery of safe patient care and the consumers' experience including identifying, facilitating and participating in continuous safety and quality improvement activities, and ensuring services and practices align with the requirements of the National Safety and Quality Health Service Standards and other recognised health standards.
