Care ■ Integrity ■ Respect ■ Excellence ■ Teamwork

Brief Summary of Duties (in order of importance)

1. Professional

- 1.1 Interpret radiological requests and perform appropriate procedures in accordance with the Radiation Safety Act, other relevant legislation, hospital or departmental policies and supervisor's instructions.
- 1.2 Ensure image quality and examination scope is sufficient to provide diagnostic information relevant to clinical needs.
- 1.3 Responsible for patient welfare, privacy and security.
- 1.4 Liaise with medical and other staff regarding the provision of diagnostic services.
- 1.5 Perform ultrasound examinations and radiographic examinations and assist the radiologist with complex scanning techniques and interventional procedures.
- 1.6 Participate in maintenance and care of imaging and associated equipment.
- 1.7 Ensure all potential hazards to staff and general public are minimized.
- 1.8 Participate in other modalities as required.

2. Education

- 2.1 Undertake continued professional development and training.
- 2.2 Participate in regular in-service training and case study presentations (New Line).
- 2.3 Maintain knowledge of relevant legislation, protocols and procedures.
- 2.4 Supervise and participate in the assessment of ultrasound trainees and Medical Imaging students.

3. Other

- 3.1 Participate in the quality assurance and performance management programs.
- 3.2 Maintain patient records, examination statistics and related information.
- 3.3 Evaluate new techniques with a view to introduction as routine.
- 3.4 Perform other duties as specified by the P3 Supervisors, Chief and Deputy Chief MIT.

4. SMHS Governance, Safety and Quality Requirements

- 4.1 Participates in the maintenance of a safe work environment.
- 4.2 Participates in an annual performance development review.
- 4.3 Supports the delivery of safe patient care and the consumers' experience including participation in continuous quality improvement activities in accordance with the requirements of the National Safety and Quality Health Service Standards and other recognised health standards.
- 4.4 Completes mandatory training (including safety and quality training) as relevant to role.
- 4.5 Performs duties in accordance with Government, WA Health, South Metropolitan Health Service and Departmental / Program specific policies and procedures.
- 4.6 Abides by the WA Health Code of Conduct, Occupational Safety and Health legislation, the Disability Services Act and the Equal Opportunity Act.

Work Related Requirements

Essential Selection Criteria

1. Tertiary Qualifications in a related health/science field with an ASAR accredited qualification in sonography and listed on the Australian Sonography Accreditation Registry (ASAR) as an accredited medical sonographer in the relevant field.
2. Experience in performing a wide range of ultrasound examinations and demonstrated ability to learn and implement new ultrasound techniques.
3. Awareness and appreciation of patient care procedures.
4. Ability to diagnose simple equipment faults and failures.
5. Ability to communicate effectively with patients and staff.
6. Ability to participate in shift work and perform duties in an unsupervised capacity.

Desirable Selection Criteria

1. Tertiary qualification in Medical Imaging and eligible for registration with the Medical Radiation Practice Board of Australia and licensing with the Radiological Council of WA.
2. Previous experience in a range of radiographic modalities.
3. Current knowledge and commitment to Equal Opportunity in all aspects of employment and service delivery.

Appointment Prerequisites

Appointment is subject to:

- Evidence of listing on the Australian Sonographer Accreditation Registry (ASAR) as an accredited medical sonographer in the relevant field.
- Working With Children (WWC) Check, compulsory check for people who carry out child-related work in Western Australia.
- Completion of 100 Point Identification Check.
- Successful Criminal Record Screening Clearance.
- Successful Pre-Employment Integrity Check.
- Successful Pre-Employment Health Assessment.
