Section 3 - KEY RESPONSIBILITIES

The Community Midwife Generalist is responsible for providing a high level of Primary Health Care to achieve the optimum state of health for individuals, families and communities with emphasis in the area of community midwifery. The Community Midwife Generalist is required to work effectively in a cross cultural setting with Aboriginal children and families.

TITLE	Clinical Midwife	POSITION NO	210077
		CLASSIFICATION	MW Level 2

The WA Country Health Service (WACHS) is the largest country health system in Australia and one of the biggest in the world, providing health services to over half a million people, including over 50,000 Aboriginal people, over a vast two and a half million square kilometres area.

WA Country Health Service hospitals handle almost as many births as the State's major maternity hospital – and 40% of the State's emergency presentations. The range of health services provided include acute inpatient and emergency care, population and public health, mental health, Aboriginal health, aged care and includes increasing number of services provided by telehealth video-conferencing.

Our dedicated and committed staff work hard to fulfil our vision of Healthier country communities through partnerships and innovation, to deliver health services that support the health and well-being of individuals and communities in rural and remote Western Australia.

OUR PURPOSE – What we are here to do

WACHS improves country people's health and well-being through access to quality services and by supporting people to look after their own health.

OUR STRATEGIC DIRECTIONS TO 2018

- 1. Improving health the experience of care
- 2. Valuing consumers, staff and partnerships
- 3. Governance, performance and sustainable services

OUR GUIDING PRINCIPLES

Consumers first in all we do Safe, high quality services and information at all times Care closer to home where safe and viable. Evidence based services

Partnerships and collaboration

OUR VALUES

Community – making a difference through teamwork, cooperation, a 'can do' attitude and country hospitality.

Compassion – listening and caring with empathy, respect, courtesy and kindness.

Quality – creating a quality health care experience for every consumer, continual improvement, innovation and learning.

Integrity – accountability, honesty and professional, ethical conduct in all that we do.

Justice – valuing diversity, achieving health equality, cultural respect and a fair share for all.
