

Job Description Form

Department of Justice Purpose

To provide a safe, secure and decent corrective services which contribute to community safety and reduced offenders' involvement in the justice system.

Position Title		Special Conditions	
Clinical Supervisor - Programs		Specified Calling	
Effective Date	Position Number	Level	
September 2014	Generic	L3 SC	
Division	Directorate	Branch	
Offender Services	Offender Programs	Offender Programs	

Divisional Outcomes

Offender Services division is responsible for the development and provision of programs and services that facilitate the rehabilitation of offenders. It includes the provision of health services to offenders in custody and the provision of programs, support and counselling as part of the integrated offender management framework."

Directorate Outputs

Offender Programs leads the coordinated research, development and delivery of offender programs, education and services that seek the ability for clients to adapt, cope and exhibit pro-social behaviour within a custodial environment and in the community.

Branch Outputs

- Rehabilitative program delivery
- Cognitive skills training
- Specialist support and advice

Role of the Position

The position provides supervision and conducts assessment and treatment of complex cases. This position resolves/addresses complex clinical issues and supervises Senior Programs Officers and Programs Officers in the areas of assessment, treatment, group delivery and report preparation.

Responsibilities of this Position

CLINICAL SUPERVISION

- Supervises clinical staff to support ethical practice and standards, ensuring programs are delivered in a consistent and effective manner.
- Provides clinical oversight of external contractor work standards and performance; reporting any issues to the Program Delivery Manager.
- Identifies training and professional developmental needs of staff and acts in a supervisory role to provide/coordinate such training.
- Supervises clinical reports and record keeping; and addresses clinical issues within the supervision relationship.

OFFENDER ASSESSMENT AND INTERVENTION SERVICES

- Maintains clinical skills by delivering interventions and providing assessments of offenders.
- Supports the clinical team by providing supervision of clinical interventions when complex issues arise.
- Supports staff, where required, by assisting with difficult clinical issues in the direct clinical environment.
- Provides high level advice to releasing authorities where required.

CONSULTATION

- Works with the Program Delivery Manager to ensure effective clinical interventions are provided to offenders in prison and/or community settings as they are designed; and in accordance with agreed upon delivery schedules.
- Supports the Program Delivery Manager to provide professional oversight of clinical staff. Work with the Program Delivery Manager to identify any staff performance development issues and plans to assist with such in a supervisory role.
- Highlights clinical training needs and communications such to the Program Delivery Manager.
- Performs as a senior member of the program unit management team, leading good clinical practice within the team.
- Develops and maintains constructive working relationships with key departmental and external stakeholders to ensure clinical service delivery is of a high standard and is maintained according to expected time lines.

PROGRAM PLANNING AND DELIVERY

- Keeps informed of the Department's strategic goals and clinical service delivery priorities.
- Monitors, in supervision, the effectiveness of program delivery with the client population and liaises with the Clinical Governance Unit.
- Advises the Program Delivery Manager of significant program planning, development and evaluation issues to enable consideration of strategic implications.
- Alerts the Program Delivery Manager to highly contentious issues.

ETHICAL BEHAVIOUR

Demonstrates and manages ethical behaviour in accordance with relevant standards, values and policies.

EQUITY DIVERSITY AND OCCUPATIONAL SAFETY AND HEALTH

 Applies, promotes and manages the principles of equity, diversity, occupational safety and health in the workplace and behaves and manages staff in accordance with relevant standards, values and policies.

OTHER

Performs other duties as directed.
