

Job Description Form

Department of Justice Purpose

To provide a safe, secure and decent corrective services which contribute to community safety and reduced offenders' involvement in the justice system.

Position Title <i>Clinical Nurse</i>		Special Conditions
Effective Date January 2016	Position Number 013328	Level ANF2
Division Offender Management	Directorate Rehabilitation & Reintegration	Branch Health Services

Divisional Outcomes

The Operational Services Division is responsible for professional development, health, intelligence, security and investigation services functions for the Department. All these elements have a direct impact on the provision of corrective services provided by the Department and the role has considerable influence on the delivery of integrated and optimised operational services, and support improved offender care and risk management across the Department.

Directorate Outputs

The Directorates role is to work in partnership with Adult and Juvenile Custodial Services to provide a comprehensive range of health care services to patients in custody, at a standard comparable to that available in the general community.

This is achieved through assessing health determinants, delivering preventative health care, health screening, delivering acute care within a primary care context and assessing the effectiveness of health care delivery.

The majority of health care provided to patients in custody is based on a primary health care model and predominantly relates to the management of Chronic Disease, Communicable Disease, Co-morbidity (Alcohol and Drug Addiction Services and Mental Health Services) and Acute Care response as required. The Directorate is also responsible for establishing and maintaining policy and standards.

Role of the Position

The position provides nursing care and management of patients in custody at both Pardelup Prison Farm and Albany Regional Prison.

All Nursing staff practice is in accordance with Australian Nursing and Midwifery Council (ANMC) National Competency Standards.

Position Title <i>Clinical Nurse</i>		Special Conditions
