#### Context

The Department of Education's strategic directions outline the commitment for every child, from Kindergarten to Year 12 to have access to high quality education underpinned by excellence in teaching and quality leadership. This is an education that meets the needs of the learner, preparing them for future success.

The Enterprise Governance and Partnerships Division drives high performance at a system level by providing senior leaders with visibility and assurance of system performance and improvement initiatives and confidence in the management of key external partnerships. We do this by:

- ensuring strategic responses and projects are delivered within expectations underpinned by quality project and program management methodologies
- improving oversight of high-level strategic priorities and projects through increased visibility and quality assurance
- aligning governance standards to the strategic significance and complexity of initiatives
- supporting evidence-based decision making through effective use of intelligence and data
- developing and maintaining effective partnerships to support strategic alignment and positive relationships both within and external to the Department, including with higher and international education stakeholders.

The Division's Program Management Office drives and provides oversight of responses and initiatives that facilitate the delivery of the Department's strategic intent and prepare the Department for the future. We do this by initiating, managing, and monitoring projects of strategic importance using project management methodologies to underpin collaboration, standardisation, and the on time, on budget delivery of key project metrics.
