

# Do you want to make a difference?

Are you looking for a rewarding job where no day is the same?

Do you want to be part of a team that works to help children and young people feel cared for, safe and connected to family and country?

Are you: - A good listener?

- Resilient and strong?

- Caring and family focused?

- Patient and friendly?

- Committed to supporting children's cultural needs?

If this sounds like you, then the **Department of Communities** has exciting opportunities available right now in various **Residential Care** country locations.
