Key responsibilities

- Provide specialist input to the development of school-based policy and plans in relation to the speech, language and literacy development component of the school program.
- Work collaboratively in interdisciplinary teams to develop, implement and review educational programs for language impaired students.
- Plan and implement professional development, training and assistance for teachers, support staff and parents.
- Provide specialist information and advice to teachers, education assistants, parents and other professionals in the area of speech, language and literacy impairments.
- Is a member of the Placement Team considering Language Development Centre students' entry and exit.
- Collaborate with schools and other service providers within and outside the Department regarding language/literacy programs and service provision.
- Provide specialised speech and language services to support students with speech, language and literacy impairments.
- Assess, monitor and review students' speech and language development.
- Prepare and maintain student speech and language records, reports, correspondence and training programs, and communicate student progress to teachers, family and other appropriate personnel.
- Participate in projects and research activities on language/literacy development.

- Participate in professional development activities and liaise with relevant organisations and research institutions to maintain and develop professional, up-to-date knowledge and skills.
- Supervise university speech pathology students on placement.
- Develop, evaluate and support implementation of specialised speech, language and literacy programs in an educational context for Kindergarten to Year 3 students with identified speech, language and literacy needs.

Selection criteria

1. Demonstrated experience in developing speech and language/literacy policy and programs and knowledge of latest trends and research in speech and language development.
2. Demonstrated ability to develop, implement, and review speech and language/literacy programs.
3. Demonstrated ability to provide specialised speech and language services and support to students with speech and language impairments.
4. Highly developed oral and written communication skills, including the demonstrated ability to prepare reports and prepare and deliver professional development programs.
5. Demonstrated ability to monitor and evaluate language impaired students' progress both individually and in the context of language/literacy programs.
6. Highly developed interpersonal skills that demonstrate an ability to function in a self-directed way, and as a member of an interdisciplinary team in an educational and/or community setting.

Eligibility and training requirements

Employees will be required to:

- possess a Tertiary qualification of Bachelor of Speech Pathology or equivalent, and eligibility for membership of the Speech Pathology Association of Australia
- obtain a current Department of Education Criminal Record Clearance prior to commencement of employment
- obtain or hold a current Working with Children Check
- complete the Department's induction program within three months of commencement
- complete any training specific to this role required by Departmental policy
- complete the Department's training in Accountable and Ethical Decision-Making within six months of appointment.

Certification
