INTEGRITY CHECK

With our agency value of INTEGRITY, we will demonstrate integrity at all times across the organisation and our community.

Please ensure you complete, sign and scan the Integrity Check Consent Form and submit it along with your application. The Integrity Check Consent Form is not required for current WA Police Force employees.

DRUG AND ALCOHOL POLICY

With our agency value of DUTY, we will uphold our duty to our community, building confidence and trust.

The WA Police Force has a duty of care to ensure employees are not adversely affected by alcohol or drugs in the workplace. The effect of alcohol or drugs can impact on the health and/or safety of the individual or others, and this behaviour is not aligned with the WA Police Force Code of Conduct. As a result, a testing regime has been established as an important way of providing assurance to the community that the expectations they hold for all members of the WA Police Force are being met. Regular testing of all employees for alcohol and drugs aims to ensure the health, welfare and safety of all personnel and promote community confidence in the WA Police Force.
