## About us

Our department (DPIRD) leads sustainable development of WA's regions and agriculture, aquaculture, food and fisheries sectors. Our Ministerial portfolios are Agriculture and Food, Fisheries and Regional development.

We **unlock and guide economic opportunities** for these sectors and regions, balanced with the **stewardship of our land and aquatic resources**.

In everything we do we take the approach of:

- **Protect** through stewardship of our people, land and aquatic resources.
- **Grow** our primary industries and regions through balancing social, economic and environmental drivers.
- **Innovate** through a culture of inquiry and adaptation.

We draw on our grow, protect, innovate approach to deliver priorities under three outcome areas:

1. Management and stewardship of WA's land and aquatic resources.
2. Capable and empowered communities.
3. Dynamic regions and primary industries

## Our values

Our values are critical in creating a healthy and dynamic culture that helps each and all of us to make our best contribution, to develop a workplace where we feel excited about our work and results and where other people will increasingly want to join our team. Our values underpin how we operate:

- **Working together** – We achieve better outcomes with our colleagues, stakeholders and the community by engaging with their ideas, knowledge and expertise.
- **Acting with integrity** – We foster a culture where individuals are accountable for their actions, behaviours and contributions.
- **Responding with purpose** – Our actions and reactions are intentional, well thought out and align with a specific objective or goal.
- **Embracing curiosity and creativity** – There is always space to be innovative, through curious and creative thinking.
- **Aspiring for a better future** – Our combined efforts deliver sustainable results – environmentally, socially and economically.
