

PROGRAM COORDINATOR - SENIOR YEARS

Is this job right for you?

The following self-assessment questionnaire has been developed to help you decide if this role is right for you.

All answers to the questionnaire are confidential and for your use only. Your assessment for suitability will be done through the recruitment and selection process, based on your submitted application.

Reflect on the following questions:

1. Are you passionate, forward thinking, innovative and committed to excellence?
2. Are you able to prioritise complex tasks and competing demands?
3. Do you have experience developing and/or implementing effective student monitoring tracking and intervention systems?
4. Have you been involved in developing and/or implementing programs that promote well rounded young people who have a sense of civic responsibility?
5. Are you a confident communicator and able to establish/maintain working relationships with students, staff, parents and school communities?
6. Do you model the importance of health and wellbeing, monitor self and others, and promptly address related issues?
7. Are you able to effectively coach and mentor others to support their growth and development?
8. Do you align your thinking to Rossmoyne Senior High School's vision, mission and core values?
