Step forward. Shape tomorrow's policing.

We are looking for future leaders to step forward and shape tomorrow's policing in the largest single police jurisdiction in the world.

The WA Police Graduate Program provides you with a 12 month experience to develop your professional skills and leadership capabilities including tailored learning and development opportunities and participation in a number of diverse work rotations to kick start your career.

To be successful, candidates will need to meet the following criteria:

- ▶ Recent completion of a relevant tertiary qualification (degree completed up to 18 months prior to the commencement of the program in February 2018)
- ▶ A high level of academic achievement (Course weighted average or equivalent of 70% and above)
- ▶ Ability to address the work related requirements outlined in the position description.
- ▶ You must be an Australian Citizen or permanent resident of Australia to be eligible for permanent appointment in the Western Australian Public Sector.

Graduate Program Benefits

- ▶ Permanent position.
- ▶ Tailored graduate development program offering mentoring, training and career development.
- ▶ Opportunity to work in different business units over the 12 month program to gain diverse experience.
- ▶ Leadership development opportunities.
- ▶ Attractive working conditions (e.g. leave and salary entitlements including 9.5% superannuation).
- ▶ Access to health, wellness and support programs.
