# **Executive Director Fiona Stanley Fremantle Hospitals Group | HES D|110820**

## **Key Responsibilities**

Responsible for the delivery of high quality health care within the scope of the Fiona Stanley Fremantle Hospital Group's (FSFHG) planned activity, the delivery of the financial and operational performance of FSFHG, ensuring the affairs of FSFHG are conducted with the highest standards of integrity, probity and governance.

Work collaboratively as a member of the area health service executive to achieve the delivery of a high-quality, efficient and effective health service to the population, the development and application of systems to manage clinical and other risks, the achievement of financial performance and service delivery objectives, the maintenance and development of teaching, training and research activities and the effective coordination of health services at an area level.

# **Executive Director Fiona Stanley Fremantle Hospitals Group | HES D|110820**

## **Brief Summary of Duties** (in order of importance)

#### 1. Strategic Leadership and Accountability (30%)

- 1.1 As a member of the South Metropolitan Health Service (SMHS) senior management team contribute to decision making for whole-of-health issues for the Area.
- 1.2 Actively promotes, guides and facilitates the delivery of high quality hospital and acute care services and high standards of practice and professional services across the Fiona Stanley Fremantle Hospitals Group (FSFHG) and the wider SMHS.
- 1.3 Effectively leads and promotes organisational and cultural change.
- 1.4 Applies Area policies and develops and applies operational policies which guide local service delivery and related activities.
- 1.5 Ensures appropriate service planning and continuously monitors and evaluates the performance of the hospital with the view to continuous improvement.
- 1.6 Ensures compliance with relevant legislation relating to the delivery of hospital and acute services.
- 1.7 Ensures that the resources of FSFHG are managed and developed to meet service requirements and Area outcomes consistent with ABM/ABF.

#### 2. Communication and Consultation (30%)

- 2.1 Provides the Chief Executive and the Board with information, reports and recommendations regarding clinical operations management and strategy implementation.
- 2.2 Establishes, develops and maintains strategic and working relationships with internal and external stakeholders in order to effectively liaise, consult and negotiate with relevant professional, industry and non-government organisations.
- 2.3 Initiates and facilitates forums and discussion groups to discuss and resolve issues relating to the development and implementation of strategic and operational plans, policies and initiatives as these apply to FSFHG and SMHS.

#### 3. **Operations (40%)**

- 3.1 Responsible for all clinical services provided under the auspices of the FSGHG. This requires appropriate planning and coordination and the application of area plans, policies and protocols. Services are expected to be coordinated with other providers and integrated to deliver seamless care as far as possible.
- 3.2 Responsible for the quality of services delivered and the safety of patients, visitors and staff.
- 3.3 Responsible for the overall performance of the hospital particularly in relation to quality of clinical outcomes, financial performance and meeting key performance indicators which include the WA Emergency Access Targets (WEAT) and the WA Elective Surgery Targets (WEST).
- 3.4 Where relevant, is responsible for the operation of teaching programs and vocational training.
- 3.5 Consistent with the role of FSFHG, responsible for establishing and managing systems which ensure appropriate support and conduct of research.

#### 4. SMHS Governance, Safety and Quality Requirements

- 4.1 Ensures, as far as practicable, the provision of a safe working environment in consultation with staff under their supervision.
- 4.2 Participates in an annual performance development review and undertakes performance development review of staff under their supervision.
- 4.3 Supports the delivery of safe patient care and the consumers' experience including identifying, facilitating and participating in continuous safety and quality improvement activities, and ensuring services and practices align with the requirements of the National Safety and Quality Health Service Standards and other recognised health standards.
- 4.4 Completes mandatory training (including safety and quality training) as relevant to role.
- 4.5 Performs duties in accordance with Government, WA Health, South Metropolitan Health Service and Departmental / Program specific policies and procedures.

# **Executive Director Fiona Stanley Fremantle Hospitals Group| HES D|110820**

- 4.6 Abides by the WA Health Code of Conduct, Occupational Safety and Health legislation, the Disability Services Act and the Equal Opportunity Act.
- 5. Undertakes other duties as directed.

# **Work Related Requirements**

#### **Essential Selection Criteria**

- Individual Characteristics Exhibit a personal commitment to customer service, integrity
  and personal learning. Working within the value system of the SMHS (teamwork, continuous
  improvement, equity) is also relevant to this criterion. Successful background in senior
  leadership and strategic management with substantial executive level experience within large,
  complex healthcare organisations.
- 2. **Leadership** Assume a pivotal role in achieving an environment within SMHS that provides forward thinking, clearly articulated strategic direction. The ability to establish effective networks and communicate effectively with a diverse range of people is important to this criterion. Ability to lead, engage and motivate multi-disciplinary teams putting clinicians at the heart of decision making.
- 3. **People Management** Promote a work environment that empowers, motivates and develops the diverse talents of people and ensures an optimum level of appropriately skilled employees. Strong record in valuing, inspiring and developing employees through effective leadership, communication, consultation and development.
- 4. **Management of Physical and Financial Resources** In an environment of constraint ensure that the SMHS resources including financial, physical, technological and information requirements are available to maintain service delivery.
- 5. **Policy and Strategic Development** Recognise opportunities to enhance service delivery and capitalise on these through effective change strategies. This includes initiating policy development and review within a public policy environment. The ability to demonstrate conceptual and analytical skills is fundamental to this criterion.
- 6. **Achievement of Outcomes** Deliver services consistent with customer needs and defined quality expectations (including timeliness).
- 7. Current knowledge of legislative obligations for Equal Opportunity, Disability Services and Occupational Safety and Health, and how these impact on employment and service delivery.

#### **Desirable Selection Criteria**

1. Tertiary and/or post graduate qualifications in management or a relevant field

#### **Appointment Prerequisites**

Appointment is subject to:

- Completion of 100 Point Identification Check.
- Successful Criminal Record Screening Clearance.
- Successful Pre-Employment Integrity Check.
- Successful Pre-Employment Health Assessment.
- Evidence of registration as a Medical Practitioner with the Medical Board of Australia and the Australian Health Practitioner Regulation Agency is required for appointees who are medical practitioners.
