Reporting Relationships

Key Responsibilities

Leads the multidisciplinary team to provide specialist Rheumatology medical services to patients. Promotes patient safety and quality of care. Provides leadership, orientation, training, supervision and education, where relevant, for doctors in training, Health Service Medical Practitioners and other health workers. In collaboration with the Head of Department and other Consultants works to achieve national, state and SMHS/EMHS performance standards and targets. Works within the scope of clinical practice as defined and recommended by the SMHS/EMHS Area Medical Credentialing Committee.

Brief Summary of Duties (in order of importance)

- The Hospital Executive Director holds each Consultant responsible for the care of all patients assigned to them, understanding that after hours, the responsible Consultant is the Consultant on duty/on-call unless the patient has recently undergone a procedure.
- Each Consultant is responsible for the orientation, education and supervision of the junior medical staff allocated to them. Supervision is especially important during procedures.

1. Clinical

- 1.1 Leads the provision of specialist consumer centred medical care to patients and provides a consultation service on request for other patients.
- 1.2 Undertakes clinical shifts at the direction of the Head of Department.
- 1.3 Consults, liaises and support patients, carers, colleagues, nursing, allied health, support staff, external agencies and the private sector to provide coordinated multidisciplinary care.
- 1.4 Responsible for ensuring patients are involved in decision making regarding their care.
- 1.5 Clinically reviews or assesses patients on the day of admission, or earlier if required when on-call or admitted under their care.
- 1.6 Conducts regular clinical review of patients at appropriate intervals with doctors in training ensuring that the medical record (including discharge summaries) is accurately updated after review of each patient.
- 1.7 Reviews patients at the request of hospital staff, the patient or their family on the same day of the request.
- 1.8 Facilitates timely discharge of patients by actively addressing any delays in patient admission, treatment or discharge, including through regular participation in multidisciplinary team meetings.
- 1.9 Authorises and supports registrar/s in conducting clinical review of all inpatients daily and to facilitate appropriate discharges before 10:00 and is generally available for discussion by phone to assist registrars when necessary.
- 1.10 Actively and openly manages clinical incidents through open disclosure.
- 1.11 Provides preliminary advice to doctors both internal and external to SMHS and refers requests for interhospital transfers to the bed manager/operations centre advising if transfer is time critical.
- 1.12 Responsible for the clinical review and clinical management of patients referred to Outpatient services.
- 1.13 Works with the Head of Department and other Consultants to distribute planned and unplanned patient demand across the specialty and other hospital sites and champions clinical service redesign to improve systems of care.
- 1.14 Completes clinical documentation and undertakes other administrative/management tasks as required.
- 1.15 Participates in departmental and other meetings as required to meet organisational and service objectives.
- 1.16 Complies with Medical Staff Guidelines issued by some hospitals.

2. Education/Training/Research

- 2.1 Engages in continuing professional development/education and ensures continuous eligibility for the relevant specialist medical registration as per essential criterion 1.
- 2.2 Educates doctors in training, medical students and other members of the multidisciplinary team through ward rounds, formal presentations, tutorials and other modalities.
- 2.3 Develops and participates in evidence based clinical research activities relevant to specialty.
- 2.4 Participates in mandatory training activities to ensure compliance with South Metropolitan Health Service policy.
- 2.5 Completes an annual professional development review of their performance with the Head of Department.

3. SMHS Governance, Safety and Quality Requirements

- 3.1 Ensures, as far as practicable, the provision of a safe working environment in consultation with staff under their supervision.
- 3.2 Participates in an annual performance development review and undertakes performance development review of staff under their supervision.
- 3.3 Supports the delivery of safe patient care and the consumers' experience including identifying, facilitating and participating in continuous safety and quality improvement activities, and ensuring services and practices align with the requirements of the National Safety and Quality Health Service Standards and other recognised health standards.
- 3.4 Completes mandatory training (including safety and quality training) as relevant to role.
- 3.5 Performs duties in accordance with Government, WA Health, South Metropolitan Health Service and Departmental / Program specific policies and procedures.
- 3.6 Abides by the WA Health Code of Conduct, Occupational Safety and Health legislation, the Disability Services Act and the Equal Opportunity Act.
- 4. Undertakes other duties as directed.
