Consultant - Surgeon - Oral Maxillo Facial Surgery

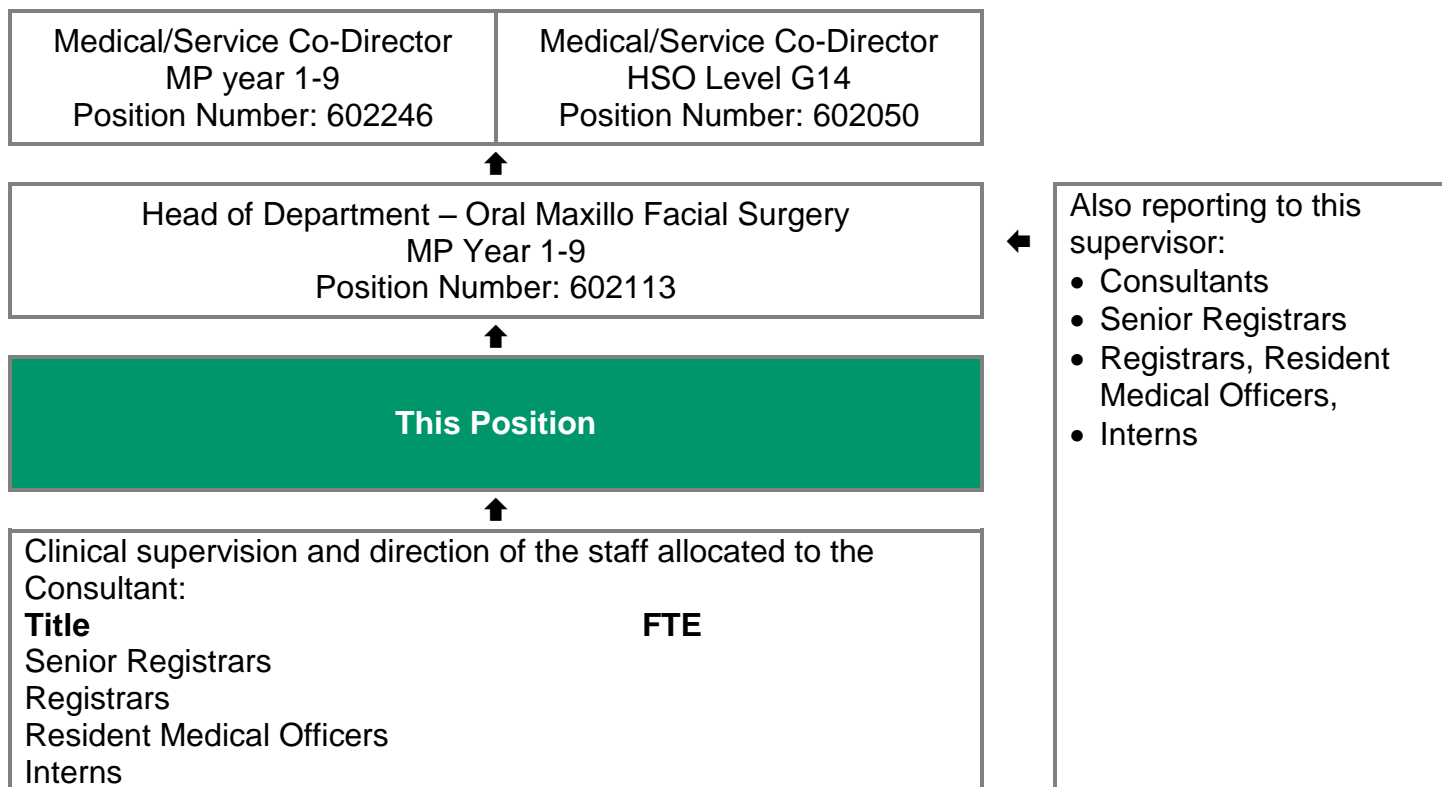

Medical Practitioners Agreement: Year 1-9

Position Number: 103257

Oral Maxillo Facial Unit / Service 4

Royal Perth Hospital / East Metropolitan Health Service

Reporting Relationships

Key Responsibilities

Leads the multidisciplinary team to provide specialist facial trauma and reconstructive surgery services to patients. Promotes patient safety and quality of care. Provides leadership, orientation, training, supervision and education, where relevant, for doctors in training, Health Service Medical Practitioners and other health workers. In collaboration with the Medical/Service Co-Director/Head of Department and other Consultants works to achieve national, state and EMHS performance standards and targets. Works within the scope of clinical practice as defined and recommended by the EMHS Area Medical Credentialing Committee.

Brief Summary of Duties (in order of importance)

- The Hospital Executive Director holds each bedcard Consultant responsible for the care of all patients assigned to them, understanding that after hours, the responsible Consultant is the Consultant on duty/on-call unless the patient has recently undergone a procedure.
- Each Consultant is responsible for the orientation, education and supervision of the junior medical staff allocated to them. Supervision is especially important during procedures.

1. Specific Duties Relevant to Specialty/Sub Specialty

- 1.1 Undertakes clinical duties in Oral Maxillofacial surgery including general on-call duties for emergency patient care.
- 1.2 Conducts outpatient clinic and theatre session at RPH for major Oral Maxillofacial Surgery.
- 1.3 Attends and contributes to Oral Maxillofacial Unit meetings.

2. Clinical

- 2.1 Leads the provision of specialist consumer centred medical care to inpatients and outpatients and provides a consultation service on request for other patients.
- 2.2 Undertakes clinical shifts at the direction of the Head of Department including participation in the on-call/after hours/weekend rosters.
- 2.3 Consults, liaises with and supports patients, carers, colleagues, nursing, allied health, support staff, external agencies and the private sector to provide coordinated multidisciplinary care.
- 2.4 Responsible for ensuring patients are involved in decision making regarding their care.
- 2.5 Conducts regular clinical reviews of patients at appropriate intervals with junior doctors and coordinates patient care with a focus on actively addressing unnecessary delays in patient admissions, treatment or discharge.
- 2.6 Reviews patients who deteriorate or whose condition is causing concern to hospital staff, or if requested by the patient or relatives as soon as possible.
- 2.7 Authorises and supports registrar/s in conducting clinical review of all inpatients daily and to facilitate appropriate early discharges and is generally available for discussion by phone to assist registrars when necessary.
- 2.8 Provides preliminary advice to doctors both internal and external to EMHS and refers requests for interhospital transfers to the appropriate governance manager advising if transfer is time critical.
- 2.9 Responsible for the clinical review and clinical management of patients referred to Outpatient services.
- 2.10 Works with the Head of Department and other Consultants to distribute planned and unplanned patient demand across the specialty and other hospital sites and champions clinical service redesign to improve systems of care.
- 2.11 Ensures clinical documentation, including discharge summaries, are completed on time and undertakes other administrative/management tasks as required.
- 2.12 Participates in departmental and other meetings as required to meet organisational quality and service objectives.
- 2.13 . Works within the scope of clinical practice as approved by the EMHS Area Medical Credentialing Committee.
- 2.14 Champions the CanMED values and complies with appropriate guidelines for medical staff.

3. Education/Training/Research

- 3.1 Engages in continuing professional development/education and ensures continuous eligibility for the relevant specialist medical registration.
- 3.2 Educates doctors in training, medical students and other members of the multidisciplinary team through ward rounds, formal presentations, tutorials and other modalities.

- 3.3 Develops and participates in evidence based clinical research and audit activities relevant to specialty.
- 3.4 Participates in mandatory training activities to ensure compliance with East Metropolitan Health Service policy.
- 3.5 Completes an annual professional development review of their performance with the Head of Department.

4. EMHS Governance, Safety and Quality Requirements

- 4.1 Fulfils National Safety and Quality Health Services Standards requirements including but not limited to:
 - Participating in continuous safety and quality improvement actions, such as audits, reviews and drills that result in improvements to patient care, staff knowledge or the consumers experience and that align with actions described within the standard.
 - Participating with the development, implementation, reporting and monitoring of quality assurance measures and activities.
 - Ensuring records and statistics are kept in accordance with established procedures.
- 4.2 Undertakes performance development review of staff under their supervision and submits them to the Head of Department.
- 4.3 Initiates, implements and participates in audit, quality improvement and research activities in consultation with the Head of Department to systematically evaluate service delivery and meet customer needs.
- 4.4 Participates in relevant clinical governance committees including regular clinical reviews, Root Cause Analysis (RCA) and morbidity/mortality reviews as required and implements endorsed recommendations.
- 4.5 Attends to medico legal issues that arise concerning patients that have been under their care and advises the Head of Department about complaints they receive pertaining to themselves or other doctors.
- 4.6 Responsible for ensuring, as far as practicable, the provision of a safe working environment in consultation with staff under their supervision.
- 4.7 Performs duties in accordance with Government, WA Health, East Metropolitan Health Service and Departmental / Program Specific Policies and Procedures including the relevant Occupational Safety and Health legislation, Equal Opportunity legislation and WA Health Code of Conduct.

5. Undertakes other duties as directed.
