Works within the scope of clinical practice as defined and recommended by the SMHS Area Medical Credentialing Committee.

Excellent health care, every time

Care ■ Integrity ■ Respect ■ Excellence ■ Teamwork

Brief Summary of Duties/Scope of Practice

- The Hospital Executive Director holds each bedcard Consultant responsible for the care of all patients assigned to them, understanding that after hours, the responsible Consultant is the Consultant on duty/on-call unless the patient has recently undergone a procedure.
- Each Consultant is responsible for the orientation, education and supervision of the junior medical staff allocated to them. Supervision is especially important during procedures.

1. Specific Duties Relevant to Specialty/Sub Specialty

- 1.1 The bed-card Consultant is responsible for the overall standard of medical care delivered to each patient, understanding that other Consultants in the specialty / subspecialty will be responsible for clinical decisions for the patient depending on the agreed medical governance model for the specialty. The bed-card Consultant is the leader of the team for that patient, but is not the sole decision maker.
- 1.2 Every patient in the acute hospital is to be reviewed by a consultant in the specialty daily.
- 1.3 Every consultant is responsible for the supervision of the junior medical staff caring for their patients.

2. Clinical

- 2.1 Leads the provision of specialist consumer centred medical care to inpatients and outpatients and provides a consultation service on request for other patients.
- 2.2 Undertakes clinical shifts at the direction of the Head of State Adult Burns Service including participation in the on-call/after hours/weekend rosters.
- 2.3 Consults, liaises with and supports patients, carers, colleagues, nursing, allied health, support staff, external agencies and the private sector to provide coordinated multidisciplinary care.
- 2.4 Responsible for ensuring patients are involved in decision making regarding their care.
- 2.5 Conducts regular clinical reviews of patients at appropriate intervals with junior doctors and coordinates patient care with a focus on actively addressing unnecessary delays in patient admissions, treatment or discharge.
- 2.6 Reviews patients who deteriorate or whose condition is causing concern to hospital staff, or if requested by the patient or relatives as soon as possible.
- 2.7 Authorises and supports registrar/s in conducting clinical review of all inpatients daily and to facilitate appropriate early discharges and is generally available for discussion by phone to assist registrars when necessary.
- 2.8 Provides preliminary advice to doctors both internal and external to SMHS and refers requests for interhospital transfers to the appropriate governance manager advising if transfer is time critical.
- 2.9 Responsible for the clinical review and clinical management of patients referred to Outpatient services.
- 2.10 Works with the Head of State Adult Burns Service and other Consultants to distribute planned and unplanned patient demand across the specialty and other hospital sites and champions clinical service redesign to improve systems of care.
- 2.11 Ensures clinical documentation, including discharge summaries, are completed on time and undertakes other administrative/management tasks as required.
- 2.12 Participates in departmental and other meetings as required to meet organisational quality and service objectives.
- 2.13 . Works within the scope of clinical practice as approved by the SMHS Area Medical Credentialing Committee.
- 2.14 Champions the CanMED values and complies with appropriate guidelines for medical staff.

Consultant – Surgeon – Plastic Surgery Burns | Year 1-9 | 114027

3. Education/Training/Research

- 3.1 Engages in continuing professional development/education and ensures continuous eligibility for the relevant specialist medical registration.
- 3.2 Educates doctors in training, medical students and other members of the multidisciplinary team through ward rounds, formal presentations, tutorials and other modalities.
- 3.3 Develops and participates in evidence based clinical research and audit activities relevant to specialty.
- 3.4 Participates in mandatory training activities to ensure compliance with South Metropolitan Health Service policy.
- 3.5 Completes an annual professional development review of their performance with the Head of State Adult Burns Service.

4. SMHS Governance, Safety and Quality Requirements

- 4.1 Fulfils National Safety and Quality Health Services Standards requirements including but not limited to:
 - Participating in continuous safety and quality improvement actions, such as audits, reviews and drills that result in improvements to patient care, staff knowledge or the consumers experience and that align with actions described within the standard.
 - Participating with the development, implementation, reporting and monitoring of quality assurance measures and activities.
 - Ensuring records and statistics are kept in accordance with established procedures.
- 4.2 Undertakes performance development review of staff under their supervision and submits them to the Head of State Adult Burns Service.
- 4.3 Initiates, implements and participates in audit, quality improvement and research activities in consultation with the Head of State Adult Burns Service to systematically evaluate service delivery and meet customer needs.
- 4.4 Participates in relevant clinical governance committees including regular clinical reviews, Root Cause Analysis (RCA) and morbidity/mortality reviews as required and implements endorsed recommendations.
- 4.5 Attends to medico legal issues that arise concerning patients that have been under their care and advises the Head of State Adult Burns Service about complaints they receive pertaining to themselves or other doctors.
- 4.6 Responsible for ensuring, as far as practicable, the provision of a safe working environment in consultation with staff under their supervision.
- 4.7 Performs duties in accordance with Government, WA Health, South Metropolitan Health Service and Departmental / Program Specific Policies and Procedures including the relevant Occupational Safety and Health legislation, Equal Opportunity legislation and WA Health Code of Conduct.

5. Undertakes other duties as directed.
