

## Role Statement

Title	Transit Officer
Division	Transperth Train Operations
Salary	Level TOIA, \$1,019.60 - \$1,325.00 per week plus shift penalties & 9.5% superannuation

**The purpose of this position is to ensure passenger safety and security whilst on the passenger rail network and other associated Transperth services to minimise fare evasion through regular ticket inspection. It is to provide assistance and information to passengers in a friendly and professional manner.**

Key position responsibilities of this role:

- Circulates on train stations and PTA car parks as directed and in accordance with Transit Officer's Operating Manual to ensure a safe and secure environment for passengers whilst on the rail reserve.
- Provides a full range of customer service assistance and information concerning Urban Rail and Metropolitan Bus and Ferry services and in medical emergencies renders first aid consistent with the level of proficiency.
- Ensures customer complaints and enquires are dealt with in accordance with Public Transport Authority's Customer Charter.
- Carries out regular ticket inspections as directed or as part of a team in accordance with procedures described in the Transit Officer's Operating Manual.
- Interacts with passengers to enhance and promote the positive image of Public Transport Authority and the services it offers.
- Operates in potentially complex and stressful environments such as assisting emergency and safety control officers as directed in the event of emergencies, security or system failures and operational needs.
- Compiles court briefs, evidentiary statements and preparation of daily reports.
- Reports on the effectiveness of train/bus interchanges and assists in the coordination of connecting services in liaison with local bus operators.
- Complies with the requirements of upgrades and changes to fare, ticketing and system access technologies consistent with training.
- Carries out as directed, such tasks and functions that are within the limits of the employee's skills, competence and training.

## **Essential Work Related requirements**

To be successful in this role, you will have:

### **1. Job Specific**

Good knowledge and understanding of contemporary customer service techniques and their application in a variety of relevant situations.

### **2. Communication and Interpersonal**

Well developed communication and interpersonal skills including the ability to:

- liaise with people from diverse social and cultural backgrounds
- resolve conflict situations
- follow written and verbal instructions
- share information and knowledge
- work as part of a team.

### **3. Computer Literacy**

Applied literacy (includes computer literacy) & numeracy skills adequate to perform the duties of the position.

## **SPECIAL APPOINTMENT REQUIREMENTS**

- Satisfactory completion of required medical examinations (including psychometric assessment) to verify psychological and physical fitness to perform the duties of the position.
- Ability to undertake shift work involving unsociable hours including weekends and public holidays.
- Provision of a current National Police Clearance certificate, dated 3 months or less from the date of application for the position.
- Subject to satisfactory integrity checks and police clearance.
- Compliance with Public Transport Authority's Alcohol & Drugs Policy and Procedure, which includes random testing.
- Adherence to Public Transport Authority's dress code/corporate image and safety standards.
- Possession of a current Ordinary Western Australian 'C' or 'C-A' Class Drivers License. This is an ongoing requirement for the duration of employment in this position and from time to time production of the licence on request by the PTA may be required. **Applicants holding a Novice licence do not qualify for this position.**
- Appointment is subject to a probationary period of 6 months.
- Appointment is subject to progress towards completing within the prescribed time:
  - Certificate III in Security Operations (CPP30411)
