Eligibility to Apply

It is important to check carefully the essential selection criteria to make sure you have the skills and qualifications required for the position.

Permanent residency is also a prerequisite for appointment as a permanent staff member. Non-permanent residents are eligible only for fixed-term appointments.

Criminal Record Check

It is Department of Education policy that any person recommended for appointment will be required to achieve a satisfactory criminal record check before their appointment is confirmed. All necessary information will be provided to the recommended applicant for the position when they receive their recommendation letter. The recommended applicant will be required to complete a consent form and meet the cost for the check to be conducted.

Existing employees who have received confirmation of their criminal record check clearance undertaken by the Department previously are considered to have met this requirement.

The Department’s criminal record checks are conducted through the Australian Criminal Intelligence Commission, an Australian Government agency that facilitates the provision of criminal record information to accredited agencies. A previous criminal conviction or pending charges will not necessarily preclude employment.

People affected by the result of an adverse criminal record check may request a review of the decision in writing within ten (10) working days of receipt of the advice. The request will be treated confidentially and should be addressed to the Executive Officer, Screening Committee of the Department of Education. A thorough review will be conducted and the applicant notified in writing of the result.

All information obtained from a criminal record check is maintained under the strictest confidence.

Further information about criminal record checks can be found at www.education.wa.edu.au/screening.

A successful applicant for any position based at a school location will require a Working With Children Check (WWCC) in accordance with the ‘Working with Children (Criminal Record Checking) Act 2004’.
