Context

The School Curriculum and Standards Division provides administrative and secretariat services for, and implements the decisions of the School Curriculum and Standards Authority (the Authority). The Authority provides quality curriculum, assessment and standards to enable all Western Australian students to become confident, creative learners and active, informed citizens who contribute positively to society.

The Examinations, Certification and Testing (ECT) Directorate is responsible for:

- implementing the logistics for the delivery of Australian Tertiary Admission Rank (ATAR) course examinations
- implementing the logistics for the delivery of Externally Set Tasks (EST)
- developing and maintaining strategies to acknowledge student performance including the development of online exam structures
- designing, implementing and evaluating educational measurement activities in Years 11 and 12, including the moderation of external assessment activities
- implementing the logistics for the delivery of National Assessment Program - Literacy and Numeracy (NAPLAN) across Western Australia

- designing, developing and analysing tests, and implementing the logistics for the delivery of the literacy and numeracy assessments of the Online Literacy Numeracy Assessment (OLNA)
- ensuring that data is of the highest integrity and that it is collected, assured, analysed and reported within all required timelines
- ensuring that there is a strong interface between schools and the Authority for the purpose of data transferal
- managing all reporting requirements for the Authority and assuring the efficacy of any data reported to stakeholders.

Key responsibilities

- leads and manages the K -10 Testing Team
- is responsible for the implementation of all agreed local, national and international population and sample assessment programs for both the public and private school sectors in Western Australian. These assessment programs currently include:
 - OLNA for Years 10, 11 and 12
 - NAPLAN for Years 3, 5, 7 and 9
 - National Assessment Program sample assessments in Science Literacy (Year 6), Civics and Citizenship and ICT Literacy (Years 6 and 10)
 - international sample programs – Programme for International Student Assessment (PISA), Trends in International Mathematics and Science Study (TIMSS) and Progress in International Reading Literacy Study (PIRLS)
- oversees the design, implementation and evaluation of educational measurement strategies for monitoring and reporting standards across the state
- provides relevant and timely advice to the Assistant Executive Director and Executive Group on policy issues arising from performance monitoring at the state and national levels through the supervision and coordination of activities relating to state level testing
- oversees item and test development and review, test delivery, data management, marking, analysis and reporting
- provides advice and support on assessment related matters; researches and analyses student performance; and oversees the provision of data and analyses to support the implementation and evaluation of various Departmental programs
- provides student performance data and analyses from the assessments to schools and the system/sectors in a timely fashion to enable their incorporation into management information systems, strategic planning and reporting to facilitate improved educational decision-making
- regularly evaluates and reviews the K -10 Testing Team's activities
- collaborates and negotiates with external agencies and other jurisdictions to enhance appropriate assessment development, use and reporting
- ensures data produced and reported by the K -10 Testing team is of the highest integrity, quality and value
- represents Western Australian on national level assessment bodies
- provides effective and efficient services to schools in relation to the implementation of agreed local, national and international assessment programs
- manages staff performance in accordance with the Public Sector Performance Management Standard and internal policy
- prepares and efficiently manages K-10 Testing budgets

- prepares financial plans that take into consideration current and future requirements of allocated project budgets and ensures that delegated authorities are properly documented and approved and internal controls and policies are adhered to
- manages, monitors and regularly reviews project budgets ensuring that the expenses managed do not exceed allocated funds
- assists the Assistant Executive Director in managing allocated financial resources by providing a regular overview of the current financial status of projects
- maintains effective records and relevant information databases in accordance with the Department's recordkeeping policy
- monitors and manages staff leave entitlements to ensure accrued leave is cleared within a reasonable timeframe and in accordance with relevant awards, agreements and Departmental policy.

Selection criteria

Implements and manages strategy

- translates strategy into operational goals and creates a shared sense of purpose within the business unit
- engages others in the strategic direction of the work area, encourages their contribution, and communicates expected outcomes
- considers the ramifications of a wide range of issues, anticipates priorities and develops long term plans for the work area
- understands objective, critical analysis and distils the core issues

Achieves results

- evaluates ongoing project and program performance and identifies critical success factors
- establishes clear plans and timeframes for project implementation and outlines specific activities
- strives to achieve and encourages others to do the same
- monitors progress and identifies risks that may impact outcome and adjusts plans as required

Builds productive relationships

- builds and sustains relationships with a network of key people internally and externally
- recognises shared agendas and works toward mutually beneficial outcomes
- brings people together and encourages input from key stakeholders

Exemplifies personal integrity and self-awareness

- acts professionally and impartially at all times and operates within the boundaries of organisational processes and legal and public policy constraints
- takes personal responsibility for meeting objectives and progressing work and commits energy and drive to see that goals are achieved
- persists and focuses on achieving objectives even in difficult circumstances

Communicates and influences effectively

- confidently presents information in a clear, concise and articulate manner and translates information for others
- approaches negotiations with a strong grasp of key issues, having prepared well in advance
- anticipates the position of the other party and adapts approach accordingly
- encourages the support of relevant stakeholders.
