

Job Description

Position Title:	Graduate Officer	Classification:	Level 3
Position Number:	MIS19276	Location:	Mineral House - East Perth
Division/Group:	Strategic Business Innovation	Supervises:	0
Branch/Section:	Business Engagement	Reports to:	Director Business Innovation

Operational Context

The Strategic Business Innovation Group supports the Department to achieve its strategic and operational objectives by focusing on whole-of-department strategic capability and fostering innovative thinking across the department to support DMIRS in building a high performance organisation. The Group is responsible for creating vision, strategies, purposeful policies, and a detailed plan to move the department into the digital world. Ensuring that investments in these digital strategies meet feasibility and viability evaluation to ensure customer centric design and value for money.

Role Overview

The graduate will carry out a range of functions during rotations through different divisions of the Department, and possibly through other WA Government departments before returning to a position in the Strategic Business Innovation Group.

Role Responsibilities

(The following outlines the key responsibilities and duties related to this position)

- Carries out designated research, policy and project activities to support business objectives, both individually and as part of a team.
- Drafts correspondence including reports, briefing papers, internal memos, ministerials and Parliamentary Questions.
- Collaborates with internal and external stakeholders to provide and receive information as required.
- Builds on relevant tertiary education with corporate knowledge, and applies professional expertise to support and enhance business activities.
- Develops a sound understanding, knowledge and experience of the operations of the department.
- Actively participates in on-the-job learning including training activities provided through the graduate learning and development program.
- Contributes and adopts digital practices in alignment with departmental approaches.
- Roles may vary with each placement but are all contained in the above general statements.

Corporate Responsibilities

(The following outlines departmental responsibilities)

- Contributes to the achievement of corporate objectives by ensuring that stakeholders are dealt with in a professional and timely manner.
- Works within corporate policies and procedures, acts with integrity and demonstrates ethical behaviours aligned with the Department Code of Conduct.
- Performs other duties as directed.
- Takes reasonable care to protect your own safety and health at work, and that of others by co-operating with the safety and health policies and procedures of the department and complying with all provisions of the Occupational Safety and Health Act 1984.

What is required in this role?

(The following outlines what experience and qualifications are required to fulfil this role)

- A relevant bachelor degree in one of the following fields;
 - Spatial Science (Spatial Analytics)
 - Computer Science (Software Development)

(degree to be completed in the current or preceding calendar year).

- The graduate program is an equity and diversity employment initiative and therefore we are actively looking for recent university graduates from any of the following diversity groups to apply:
 - people 24 years and under
 - people with disability
 - Aboriginal and/or Torres Strait Islander people

Capabilities Required

(The following outlines the behaviours required to be demonstrated to perform this role)

- Proven ability to research, analyse and interpret information and report on findings.
- Works collaboratively with team members and external stakeholders and treats people with respect and courtesy.
- Able to write a range of documents and able to communicate clearly and effectively to various audiences.
- Shows willingness to learn and develop expertise, responds to feedback and changes in requirements, to work towards agreed outcomes.
- Acts with integrity and behaves in an honest, professional and ethical way.
