Prime Function / Key Responsibilities

To manage medical problems in obstetric and gynaecological patients at KEMH, inpatients, outpatients and emergency patients under the supervision of Obstetric Physicians and General Physician. The Registrar is the only Medical Registrar at KEMH and needs to have had at least 2 years' experience in a Registrar role. Obstetric advanced trainees who wish to gain experience in the medical management of complicated pregnancy may apply.

Senior Registrar – Obstetrics Medicine | Year 1-2 | 500066

Brief Summary of Duties (in order of importance)

- Registrars must be in the advanced RACP or Advanced RANZCOG Training Programme.
- Registrars will be expected to manage outpatients and inpatients under the supervision of specialists.
- Registrars should have knowledge of current issues relating to obstetric medicine.
- Registrars have a role in the teaching of residents, nursing/midwifery staff and medical students and the more senior the registrar the higher the degree of involvement.
- Registrars are expected to attend and actively participate in as many Hospital Meetings and Lectures as possible.
- Registrars are strongly encouraged to be involved in their own research project and attend professional meetings and conferences to present their work.
- Promote awareness of and ensure compliance with:
 - clinical and /or corporate governance requirements; and
 - legislative and other regulatory requirements relating to equity and diversity, disability services and occupational safety and health.

NMHS Governance, Safety and Quality Requirements

- Participates in the maintenance of a safe work environment.
- Participates in an annual performance development review.
- Supports the delivery of safe patient care and the consumers' experience including participation in continuous quality improvement activities in accordance with the requirements of the National Safety and Quality Health Service Standards and other recognised health standards.
- Completes mandatory training (including safety and quality training) as relevant to role.
- Performs duties in accordance with Government, WA Health, North Metropolitan Health Service and Departmental / Program specific policies and procedures.
- Abides by the WA Health Code of Conduct, Occupational Safety and Health legislation, the Disability Services Act and the Equal Opportunity Act.

Undertakes other duties as directed.
