This is a permanent full-time position commencing Term 1, 2020

***Student centred. Collaborative. Passionate. Innovative.
Can you tick these off your list of qualities?***

At Ocean Road Primary School (PS), we are committed to creating a learning environment where everybody within our school community can develop the skill and the will necessary to successfully access and apply knowledge enabling them to become effective citizens in our ever changing world.

Our core values of Kindness, Resilience, Responsibility and Respect, and our dedication to "Put Children First" underpin everything we do. The health and wellbeing of staff and students is paramount. Do you put children first? Do you believe that all children can and will learn regardless of social economic background, trauma and/or disability? Do you want to work in an interdependent environment that embraces research and evidence based practices? Do you want to be part of a dynamic professional learning community? Do you have a Growth Mindset? If so, we want you!

Suitable applicants will have skills and knowledge in the following - research based teaching approaches, First Steps literacy and numeracy, The Early Years Learning Framework, Teaching for Growth, National Quality Standards, High Impact Pedagogy, Growth Mindsets, Instructional Intelligence (Classroom Management and Instructional Strategies), Western Australian Curriculum, Digital Technologies, STEM (Science and Technology, Engineering and Maths), Play based learning (including nature play), Three tiered Intervention approach – learning, attendance and behaviour.

Ocean Road PS caters for over 670 students from broad ranging socio-economic backgrounds. We are committed to developing an environment where all children develop the skill and the will to access and apply knowledge enabling them to become effective citizens in our ever changing world.

Our educators implement a whole school approach to research and evidence based strategies with a focus on developing the whole child. This includes English, growth mindset, STEM subjects: science, technology, engineering and maths, students' mental health and well-being. Our specialist programs include science, physical education, Japanese, visual and performing arts. We are committed to catering for all of the students' needs, including the specific needs of our students at educational risk and those requiring academic extension.
