As a successful applicant you will assist with the preparation and organisation of the learning environment by maintaining equipment, materials and resources, and assisting teachers with the clean and safe use of classroom items. You will be responsible for assisting teachers with the supervision of students for all activities and with the general care and wellbeing of students, including attending to minor illnesses and/or injuries.

You will support the development and implementation of the school's culture, vision, values and future directions. As a foundation staff member you will implement school-wide practices to meet the needs of students and ensure the creation of an environment that promotes success. You will value the whole child acknowledging that academic, social, emotional and physical pursuits are equally catered for and addressed.

Suitable applicants with the knowledge of effective strategies to support students in early childhood, combined with knowledge and experience with the Early Years Learning Framework (ELYF) and National Quality Standard (NQS) will be highly regarded. You will be able to support programs relevant to students with Autism Spectrum Disorder (ASD), Intellectual Disability (ID), and/or other Physical Disabilities.

Our school is located 15km from the centre of Perth in the growing suburb of Caversham, near the Swan Valley, surrounded by rapidly developing housing estates with many young families. Our school community includes families of different backgrounds and cultures, many from overseas where English is not always the first language or dialect spoken at home.

This brand new school will open for students for Kindergarten to Year 6, with our campus consisting of Admin, four teaching blocks, undercover assembly area, large library, excellent sporting facilities, and well maintained grounds providing a pleasant and inviting environment. Our teaching and learning environments will reflect a positive and innovative approach to maximising learning opportunities for students.

This selection process will initially be used to fill the above vacancy. Applicants assessed as suitable during this selection process may be considered for other similar vacancies that occur throughout our school for up to 12 months following this initial appointment. This includes circumstances where this position becomes subsequently vacant should the successful applicant decline or vacate the advertised position.
