This position: Various - Clinical Nurse, MHAOD – ANF 2

Direct reports: NIL

Overview of the position

The Mental Health Alcohol and Other Drug (MHAOD) Branch of Offender Services Directorate delivers mental health and alcohol and other drug healthcare to some of the most vulnerable and high-risk individuals in the State. The MHAOD staff work to improve MHAOD patient outcomes and reduce associated harm and risks as far as possible.

MHAOD services are delivered by multidisciplinary teams made up of highly specialised staff including nurses, consultant psychiatrists, psychologists, social workers, aboriginal mental health workers and prison support officers.

The role of the Clinical Nurse (MHAOD) is to assess, plan, implement and evaluate the care of those identified as having mental health and/or drug and alcohol related problems, to assess and manage clinical risk and to participate in the development of the Mental Health, Alcohol and Other Drugs Service.

Job description

As part of the MHAOD team, the successful applicant will be expected to:

- Maintain focus on the Department's goals concerning safety, security and rehabilitation.
- Work to improve communication and model integrity and respect in all interactions.
- Operate within the Department's Corporate Governance Framework, policies and procedures and ensure effective transparency and accountability of all Department activity.
- Operate within chain of command facilities to coordinate activities required to meet the Department's strategic objectives.
- Work collaboratively to achieve common goals and best practice and facilitate business improvements as appropriate.

Role specific responsibilities

Clinical Management:

- Assessment, planning, implementation, and evaluation of treatment, for patients identified as requiring clinical interventions for mental illness and drug and alcohol issues.
- Conducts risk assessments and participates in the prevention of suicide and self-harm as a member of the Prison Risk Assessment Group.
- Works with the multi-disciplinary team and clients to develop and evaluate clinical care plans.
- Liaises with visiting psychiatrists and other professionals as required.
- Discharge planning and effective liaison with external service providers.
- Administration of medications as prescribed and manages, monitors treatment regime.
- Provides clinical advice to health and custodial colleagues as required.

Professional Development:

- Accountable for maintaining relevant skills and competence.
- Participates in the education of health and custodial staff.
- Maintains ongoing professional development and mandatory competency training.

Leadership, Coordination and Management:

- Responsible for the clinical supervision of nurses at Level 1 as required.

Quality Improvement:

- Participates in performance appraisal based on current Job Description Form as required by the Department's development policy.
- Participates in quality improvement and service evaluation projects; participates in Health Services meetings and committees; and contributes to research, collection and analysis of data which may be relevant to service improvement.
- Actively participates in developing and maintaining contemporary clinical practices consistent with National Mental Health Standards and the National Drug Strategy, and established standards applying within the community.

Security:

- Works within the guidelines and rules of the Department of Corrective Services to ensure personal safety and the safety of others.

Documentation:

- Complies with policies and procedures regarding the maintenance of documentation in the official medical records.

Ethical Behaviour:

- Demonstrates ethical behaviour in accordance with relevant standards, values and policies.
- Maintains professional boundaries.

Equity, Diversity and Occupational Safety and Health:

- Applies the principles of equity, diversity, occupational safety and health in the workplace and behaves in accordance with relevant standards, values and policies.

Other:

- Other duties as directed.
