### **Financial Audit Unit**

Provides Parliament with audit opinions on state government financial statements, controls and performance indicators and provides local governments with audit opinions on financial statements. The scope and nature of the work and results delivered have a wide impact of serving the public interest, through identifying matters of significance.

#### Improving Financial Management and Accountability

The aim of the work of Financial Audit is improving financial management and accountability across the two tiers of WA government; increasing the transparency of government operations; and providing Parliament with assurance about public administration; and informing Parliament's decision-making when resourcing state government programs and service delivery.

The Office of the Auditor General audits and provides opinions to provide assurance that the annual financial statements and, where applicable, key performance indicators of government entities are based on proper accounts and fairly presented. This includes state government departments, statutory authorities, corporatised entities, universities and state training providers; and local government bodies.

#### Focus Area Audits, and other limited scope performance audits

These audits build on our annual financial audits by sampling entities across areas of common business practices. The audits provide insight into good practice, control weaknesses and exposures to improve overall performance.

#### Role of this position

 plans, supervises, conducts and reports on the audits of financial statements, controls and performance indicators.

#### **Essential qualification/s**

- 1. relevant tertiary qualification
- 2. substantial completion of CPA, CAANZ or IPA program, or appropriate equivalent.
