

Director, Student Engagement and Wellbeing

Position number	To be confirmed
Agreement	Award Free
Classification	DEANE
Reports to	Assistant Executive Director, Professional Capability
Direct reports	Various

Context

The Department of Education's strategic directions outline the commitment for every child, from Kindergarten to Year 12, to have access to high quality education underpinned by excellence in teaching and quality leadership. This is an education that meets the needs of the learner preparing them for their next step into the workforce or further education.

The Statewide Services Division encompasses both school and system-facing service delivery models. While the Division primarily exists to support schools, it also has an important system facing role supporting strategy and policy development. The Division provides the services and supports required by schools to enable student achievement, with a focus on those students and schools that need it most.

As a Senior Executive Officer the position is expected to maintain, promote and model ethical practise and appropriate standards of conduct and behaviour that align with the values in the Department's Code of Conduct: integrity, equity, voice, truth-telling, teamwork, care and learning.

Key responsibilities

Leadership and Strategic Management

- Lead the development of the capability of the profession to improve student engagement and wellbeing in alignment with system-driven strategies, directions and priorities.
- Lead and provide strategic direction in the development, implementation and monitoring of programs and services that promote the engagement and wellbeing of every student in Western Australian public schools.
- Work collaboratively with the Chief Policy Officer and the Chief Psychologist to lead and manage the development, implementation and monitoring of a student mental health and wellbeing strategy in accordance with the strategic directions of the public school system, legislation and Department policies.
- Provide strategic and high-level advice for informed decision-making by the Minister, Director General, Corporate Executive and senior management.

- Provide leadership and strategic advice to promote and support culturally responsive educational programs and practices that meet the needs of individual Aboriginal students, teachers and schools and reflect the expectations in the Aboriginal Cultural Standards Framework.
- Work collaboratively with other areas in Professional Capability to inform the design of systemic professional learning and resource development.
- Work collaboratively with Service Delivery to develop strategies informed by data.
- Provide subject matter expertise as required by Service Design and Support.
- Contribute to policy development and advice consistent with system and inter-agency directions and commitments.

Accountability and Quality Assurance

- Support effective and efficient application of consistent service delivery models and contemporary approaches of practice that demonstrate positive outcomes for students, school staff and parents.
- Contribute to the development and maintenance of the Department's accountability framework, ensuring policies, frameworks and practices comply with and promote accountability for the delivery of support programs and services.
- Ensure services and programs are aligned with the national education agenda and the department strategic direction and comply with legislation and policies.
- Monitor issues, trends and best practice locally, nationally and internationally and develop strategic responses.
- Develop and implement governance and quality assurance processes within the Directorate.
- Respond to requests for ministerial and other Government requirements as appropriate.
- Foster best practice within the Directorate to enhance customer service to teachers, schools and individual students.

People Management

- Oversee effective employment processes that adhere to equity and equal employment opportunity principles.
- Establish a leave management plan and manage employees' leave entitlements in accordance with relevant Industrial Instruments and Departmental policy.
- Implement performance management, foster on-going professional development and ensure opportunities are provided which maximise staff capabilities to deliver quality educational and business outcomes.
- Provide strategic leadership supporting the health and wellbeing of Departmental staff.

Policy Development and Implementation

- Direct the development, implementation and review of policies and procedures covering student engagement and wellbeing.
- Monitor and evaluate the effectiveness of policy and programs based on research and analysis of data and outcomes.
- Implement Government policies and priorities for education.

Community Relations

- Consult and provide accurate and timely information on student engagement and wellbeing matters to stakeholders, unions, professional associations and national bodies.
- Initiate, promote, foster and maintain effective and responsive partnerships and links with key stakeholder and interest groups, including other Government departments.

Resource Management

- Contribute to the development and implementation of resource allocation methodologies for schools accounting for different support needs, ensuring appropriate accountability for the effective use of resources.
- Develop and implement budget strategies that aim for maximum benefit from the various State and Federal funding sources for support programs and services.
- Provide quality input to the requirements for adequate resourcing for operations, ensuring the allocation of resources responds to identified needs.
- Oversee the service delivery budget to ensure expenditure is contained within required parameters.
