## Registrar Service Paediatrics Albany Health Campus (Great Southern Region)

Six month or 12 month full time appointments (80 hours per fortnight)

The Great Southern Paediatric Service is the newest of the WACHS Paediatric services and will continue to develop and expand over the coming years.

This paediatric registrar position in Albany, therefore, will provide a unique opportunity to contribute to the development of a regional service. Paediatric inpatients and neonates from 37/40 at Albany Health Campus. Outpatients – separate medical and developmental paediatric clinics.

Approximately 2 days of developmental and 1.5 days of medical a week. Outreach to Katanning with potential for other outreach sites in the near future.

Four paediatric beds on mixed adult/paediatric ward. Neonatal nursery accreditation planned for 2023.

Application for accreditation with RACP for 6 months rural without perinatal component in progress. Once accredited, potential for 6 months community child health when appointed to 12 month position. Aiming to complete accreditation by second half of 2022.

- On call roster in development.
- Close supervision by on site paediatrician 0800 to 1600 Monday to Friday.
- Local grand rounds
- VC links available to PCH for registrar teaching

# Remuneration

Full time (80 hours per fortnight) salary as per WA Health System Medical Practitioners AMA Industrial Agreement 2016:

**Registrar Year 1-7, \$131,853 to \$176,734 pa\***

**South of the 26th parallel**

\* includes base salary \$110,678 to \$151,479 pa, professional development allowance \$10,107 pa and 10% employer contributed superannuation. Rates as at February 2021.

Please note, employees who move between different WA Department of Health entities will bring their entitlements (annual leave, long service leave, personal leave) with them. Taking a rural contract is not viewed as a break in service.

## Enhanced Care and Services at Albany Health Campus

Albany Health Campus is the major “hub” for health services in Great Southern supporting our community of local primary care services and a network of smaller hospitals in the region providing a continuum of care to patients who may require more complex assessment and care in Albany or a metropolitan tertiary centre. Our integrated services allow our patients to receive the highest quality care as close as possible to home.

The Great Southern region is the largest and most diverse region within Australia’s South West. Located approximately 4-5 hours southeast of Perth, it varies from unspoilt coastline and idyllic seaside towns, to sprawling agricultural lands and national parks harbouring some of the world’s rarest species of flora and fauna. It’s an adventurer’s playground, with everything from rock climbing and windsurfing, to four-wheel driving and coastal hiking on offer. Feast on some of Australia’s best food and wine from award-winning local producers at a local festival or farmers market. There is so much to explore in Albany and the Great Southern.
