Role of Treasury

Treasury is the central department managing Western Australia's public sector finances and formulating and implementing the annual State Budget.

We develop economic and revenue forecasts, and monitor developments in the State's economy, major revenue bases and public sector finances, to ensure Western Australia remains on track against the State Government's budgetary objectives and targets.

Our policy advisory role covers a wide range of issues, including Commonwealth State financial relations, revenue policy, public sector wages policy, public sector superannuation policy, and advice on alternative models of service delivery and infrastructure provision.

Role Description

As a Vacation Program Intern in a central government agency, you will:

- Support Government decision-making by providing evidence-based economic and financial policy advice and analysis on a range of complex issues;
- Undertake research and communicate outcomes in both verbal and written form on project or policy issues;
- Work within a small team and liaise with other areas of Treasury, as well as other public sector agencies and external stakeholders; and
- Provide administrative support to teams and undertake project work as required.
