The WA Country Health Service (WACHS) is the largest country health system in Australia and one of the biggest in the world, providing health services to over half a million people, including over 50,000 Aboriginal people, over a vast two and a half million square kilometres area.

WA Country Health Service hospitals handle almost as many births as the State's major maternity hospital – and 40% of the State's emergency presentations. The range of health services provided include acute inpatient and emergency care, population and public health, mental health, Aboriginal health, aged care and includes increasing number of services provided by telehealth video-conferencing.

Our dedicated and committed staff work hard to fulfil our vision of Healthier country communities through partnerships and innovation, to deliver health services that support the health and well-being of individuals and communities in rural and remote Western Australia.

OUR MISSION

To deliver and advance high quality care for country WA communities

OUR VISION

To be a global leader in rural and remote healthcare

OUR STRATEGIC PRIORITIES

Caring for our patients - Providing safe, patient-centred care, ensuring the needs of our patients are at the core of everything we do

Addressing disadvantage and inequity - Delivering focussed and accessible services for those who need it most **Building healthy, thriving communities** - Supporting country people to be as healthy as they can be and continuing to play our part in the economic and social viability of country communities

Delivering value and sustainability - Ensuring that the services we provide are sustainable and we are transparent about our performance

Enabling our staff - Supporting our staff to deliver great care, empowering them to learn, grow, innovate and lead **Leading innovation and technology** - Embracing innovation and technology to create a safer, more connected and equitable health system

Collaborating with our partners - Partnering to deliver more integrated services that improve patient outcomes and experience, giving consumers more choice and control

OUR VALUES

Community – We live and work in country communities. We are invested in the health, wellness and viability of country communities and the vibrancy, diversity and future of country WA.

Compassion – We are inclusive, respectful, and considerate. We care deeply about the people in our care and country communities.

Quality – We provide safe, high-quality care, constantly striving to innovate, improve and achieve trust in our care.

Integrity – We bring honesty, collaboration and professionalism to everything that we do.

Equity – We are passionate about fairness in healthcare for all Western Australians, especially the most vulnerable and disadvantaged people and communities.

Curiosity – We continually enquire and seek to understand, using the best evidence, insight and research to improve care.
