CONTEXT

The Department of Education is Western Australia's largest public sector employer with approximately 45,000 staff or one third of the Government workforce in around 800 worksites.

We provide a system of public schools in which our aim is to ensure that every school is a good school, every teacher is effective and every student is successful.

The Department's other key responsibilities include:

- regulation of non-government schools in accordance with Part 4 of the School Education Act 1999
- administration of state funding to non-government schools
- higher education policy and planning
- legislative reviews
- providing Secretariat services to the Teacher Registration Board of Western Australia, the Training Accreditation Council and the School Curriculum and Standards Authority.

The principles underpinning the Department's operations in Western Australia are:

- working collaboratively to achieve outcomes
- accepting responsibility and accountability for the achievement of outcomes
- enabling flexible, innovative and diverse work practices
- promoting confidence in the professional judgement of the Department's staff.

All Department actions are guided by four core values: Learning, Excellence, Equity and Care.

TITLE	CLASSIFICATION	POSITION NO	EFFECTIVE DATE 4
Deputy Principal – Senior High School	Level 4	Generic	September 2017

ROLE

The Deputy Principal role is generic; however, specific duties within the role may vary among schools. This is influenced by factors such as: teaching experience and skills of staff, geographical location, type of community served, curriculum structures within the school and local needs. Specific responsibilities associated with the role are negotiated with the Principal and administration team.

The Deputy Principal is at times expected to take on the Principal's role and needs to build partnerships and develop a climate of trust within the school community.

Leadership

In collaboration with the Principal and other members of the administrative team, the Deputy Principal:

- provides educational leadership in the school and the community by helping develop and promote the school values, ethos and priorities, and encouraging staff, volunteers from the community and others to share ownership of the school's vision and goals
- uses effective change management strategies to assist the school community to accept and develop opportunities for improved service
- assists the Principal to facilitate workforce effectiveness in leading and motivating staff in planning directed at improving outcomes for students and the level of service delivered by the school
- contributes to developing the School Plan through participative decision-making, including assisting in developing policy, and establishing and maintaining systems
- uses professional knowledge and understanding to promote teaching and learning within the school community, fostering development of a responsive and inclusive school-based curriculum
- provides strategic direction for staff, and models and promotes a culture of improvement of professional performance, providing coaching and mentoring where appropriate
- establishes and manages administrative and operational systems in the relevant area of responsibility to deliver effective school operations within legislative and industrial policy and guidelines
- plays a significant role in the daily management of staff and student wellbeing and may have responsibility for management, or shared management, of timetabling.

Management

The Deputy Principal is accountable to the Principal for effective operations of relevant areas of responsibility through:

- assisting the Principal to ensure compliance with relevant legislation, Departmental policies and procedures, and management of financial, physical and human resources
- ensuring staff are provided with timely and appropriate feedback about their performance and presented with opportunities for professional learning in accordance with the Public Sector Performance Management Standard and Departmental policy
- assisting the Principal to ensure appropriate information systems are in place to report on compliance and the use of proper accounting procedures
- using information systems to ensure accurate and timely reporting on school performance to inform school planning and decision-making and to ensure accountability for school performance
