Prime Function / Key Responsibilities:
 Responsible for the psychiatric assessment, treatment and management of young people, being inclusive of families and significant others, within the youth mental health program. Provides psychiatry consultation to the multidisciplinary team.

Brief Summary of Duties

1. Provides comprehensive psychiatric assessment diagnosis, treatment and management protocols for young people referred to and managed by YouthLink.
2. Maintains medico legal responsibility for YouthLink clients being treated under the Mental Health Act (2014).
3. Performs a consultation role in the YouthLink multidisciplinary team (MDT) and participates in an MDT approach to patient care.
4. Available for consultation with psychiatric registrars, medical officers, mental health clinicians, and relevant external agencies concerning patient management.
5. Establishes and builds partnerships with clinicians in community mental health and other key services.
6. Participates in staff training and education.
7. Supervises Psychiatric Registrars in accordance with the Royal Australian and New Zealand College of Psychiatrists requirements.
8. Participates actively in the training program for registrars in Psychiatry.
9. Participates in the teaching of medical undergraduates and post graduates.
10. Undertakes performance appraisals for medical and other staff as required.
11. Is committed to maintenance of professional standards.
12. Attends to administrative duties as required.
13. Actively participates in continuous improvement activities and applies quality improvement principals to all duties performed.

NMHS Governance, Safety and Quality Requirements

14. Participates in the maintenance of a safe work environment.
15. Participates in an annual performance development review.
16. Supports the delivery of safe patient care and the consumers' experience including participation in continuous quality improvement activities in accordance with the requirements of the National Safety and Quality Health Service Standards and other recognised health standards.
17. Completes mandatory training (including safety and quality training) as relevant to role.
18. Performs duties in accordance with Government, WA Health, North Metropolitan Health Service and Departmental / Program specific policies and procedures.
19. Abides by the WA Health Code of Conduct, Occupational Safety and Health legislation, the Disability Services Act and the Equal Opportunity Act.

Undertakes other duties as directed.

Work Related Requirements

Essential Selection Criteria

1. Eligible for registration by the Medical Board of Australia as a Specialist Psychiatrist.
2. Demonstrated effective, interpersonal and communication skills in a multidisciplinary environment.
3. Demonstrated ability to provide psychiatry consultation to a multidisciplinary team.
