Directly reporting to this position:			Other positions under control
Title	Classification	FTE	•

Prime Function / Key Responsibilities:

Provides anaesthesia care under the supervision of specialists to the women of Western Australia (WA).

Brief Summary of Duties (in order of importance)

1. Clinical

- 1.1 All Anaesthesia Senior Registrars provide anaesthesia care under the supervision of specialists to the women of WA. Each year, the department provides anaesthesia for approximately 5600 patients in 5 operating theatres including 1500 Caesarean sections. There are, in addition, approximately 6000 deliveries per year, 50% of which are managed with some degree of regional analgesia. Involvement in the Acute Pain Service and Adult Special Care Unit will also be expected.
- 1.2 The Anaesthetic Senior Registrar has rostered shifts during the week, is also on call one night per week, and will be rostered some weekend day shifts , night shifts and public holidays.

2. Administration, Education and Research

- 2.1 Anaesthetic Senior Registrars will be expected to participate in education & teaching throughout the health service.
- 2.2 The Anaesthetic senior registrar is normally allocated one to two days a week to research and education. All senior registrars are strongly encouraged to be involved in their own research, education, or quality improvement project.
- 2.3 Registrars are expected to attend and actively participate in as many hospital meetings and lectures as possible.

3. NMHS Governance, Safety and Quality Requirements

- 3.1 Participates in the maintenance of a safe work environment.
- 3.2 Participates in an annual performance development review
- 3.3 Supports the delivery of safe patient care and the consumers' experience including participation in continuous quality improvement activities in accordance with the requirements of the National Safety and Quality Health Service Standards and other recognised health standards.
- 3.4 Completes mandatory training (including safety and quality training) as relevant to role.
- 3.5 Performs duties in accordance with Government, WA Health, North Metropolitan Health Service and Departmental / Program specific policies and procedures.
- 3.6 Abides by the WA Health Code of Conduct, Occupational Safety and Health legislation, the Disability Services Act and the Equal Opportunity Act.

4. Undertakes other duties as directed.

Work Related Requirements

Essential Selection Criteria

1. Eligible for registration by the Medical Board of Australia.
2. Registered as an advanced trainee or provisional fellow with the Australia and New Zealand College of Anaesthetists or equivalent overseas authority
3. Demonstrated clinical and procedural experience sufficient to undertake the safe anaesthetic care of patients
4. Demonstrated ability to provide medical education, teaching, supervision, training and support to medical and other healthcare staff.
5. Demonstrated verbal and written communication skills and interpersonal skills to effectively interact with patients, their families, medical students, junior doctors and staff at all levels.
6. Demonstrated organisational and time management skills and commitment to safe, timely patient centred care.
7. Demonstrated participation in continuing medical education activities including regular performance reviews to maintain and upgrade knowledge & skills.
8. Current knowledge of legislative obligations for Equal Opportunity, Disability Services and Occupational Safety and Health, and how these impact on employment and service delivery.

Desirable Selection Criteria
