

Position Description

Position Title:	<i>Policy Officer</i>	Classification Level:	<i>5</i>
Position Number:	<i>00032078</i>	Reports to:	<i>Principal Policy Officer, Level 7</i>
Division:	<i>Advisory Services</i>	Supervises:	<i>0 FTE</i>
Branch/Section:	<i>Government Policy and Strategy / Cross Agency Policy</i>	Location:	<i>Perth Metropolitan Area</i>

Our vision: driving practical, cost-effective and quality outcomes across government to benefit Western Australians

Our values define who we are and how we go about our business.

INSPIRING AND INFLUENTIAL PASSIONATE AND COMMITTED HONEST AND RESPECTFUL BOLD AND INNOVATIVE

Our values underpin everything we do. They guide the way we work, how we engage with each other and the way we deliver services to our customers through being clear, courageous, authentic and building trust.

As a central government agency with a state-wide presence, Finance delivers services to the government, public sector agencies and the community, and places customers at the centre of its focus. Services include strategic policy advice and co-ordination; asset management (including planning, procurement and project management); assessment of market led proposals; and revenue collection and concessions.

Role summary

The Policy Officer undertakes research and provides low to mid-level procurement policy advice and education to agencies and industry on procurement policy, practice and initiatives. The Policy Officer also has an understanding of Government priorities, current issues and emerging trends related to procurement, including intra- and inter-governmental procurement-connected policies, arrangements and agreements.

Your responsibilities

The successful applicant will be expected to:

Best Place to Work

- Demonstrate Finance's values in all interactions to contribute towards an innovative, customer focused, high-performing and values-led organisational culture, including actively identifying opportunities to build positive organisational culture.
- Understand and consider departmental objectives, and customer needs in work activities to inspire excellence.
- Contribute to the environment that enables members to flourish, embrace diversity, flexibility and opportunity to deliver fit-for purpose services aligned with Finance objectives.
- Ensure resources are used efficiently and effectively.
- As a member of the Government Policy and Strategy team, demonstrate initiative and be accountable for your work outputs and proactively contribute to the efforts of the team.
- Participate in and embrace coaching, feedback and capability building; and take initiative in personal growth and development.

Customer Centric

- Work proactively with customers/stakeholders to facilitate the delivery of relevant, contemporary and professional services and governance.
- Work collaboratively to achieve common goals, best practice and facilitate continuous business improvement and innovation.
- Ensure meaningful and appropriate communication with all customers and stakeholders.
- Work with Manager to develop and implement practices that deliver customer centric services required in an ever-changing environment.
- Engage and work proactively with customer to support/develop contemporary strategies and policies by identifying and implementing solutions to real-world procurement situations.
- Regularly confirm customer/stakeholder expectations to ensure that deliverables are high-quality, fit-for-purpose and aligned with Finance objectives.

Outcomes Focused

- Provide timely advice to Government agencies and non-government organisations and businesses in relation to the application procurement policies and practices.
 - Liaise with a range of public, industry and other sector stakeholders on procurement initiatives and procurement-connected matters.
 - Undertake research and develop various documents (including guides, reports, briefing notes, publications and correspondence).
 - Conduct research and analysis into trends in goods, services and works procurement and procurement-connected matters and make recommendations with respect to improvements.
 - Support procurement improvement initiatives and lead low-risk projects to promote best practice across Finance and the sector.
 - Conduct presentations to stakeholders (government and non-government) on procurement policy and practice and procurement initiatives to build knowledge and capacity.
 - Plan, manage and track projects effectively.
 - Perform other duties as directed.
-
