#### Our Values

##### Community

We live and work in country communities. We are invested in the health, wellness and viability of country communities and the vibrancy, diversity and future of country WA.

##### Compassion

We are inclusive, respectful, and considerate. We care deeply about the people in our care and country communities.

##### Quality

We provide safe, high-quality care, constantly striving to innovate, improve and achieve trust in our care.

##### Integrity

We bring honesty, collaboration and professionalism to everything that we do.

##### Equity

We are passionate about fairness in healthcare for all Western Australians, especially the most vulnerable and disadvantaged people and communities.

##### Curiosity

We continually enquire and seek to understand, using the best evidence, insight and research to improve care.

#### Our Vision

To be a global leader in rural and remote healthcare.

#### Our Mission

To deliver and advance high quality care for country WA communities.

## Directorate overview

The Directorate leads and coordinates a range of programs for WACHS including medical workforce recruitment and credentialing, medical education, medicolegal, safety and quality, pharmacy, medical imaging and our network of clinical directors.

We work closely with the Executive and regional teams to foster and enable a positive environment for change and improvements in patient experience, safety and quality, clinician engagement, and value-based health care.

We aim to provide care and services that meet our values of community, compassion, quality, integrity, equity and curiosity.

Our Directorate actively supports and encourages diversity and inclusion across all occupational groups through the development and implementation of initiatives aimed at accessing and improving employment and mentoring opportunities for all people.
