Context

The Department of Education's strategic directions outline the commitment for every child, from Kindergarten to Year 12 to have access to high quality education underpinned by excellence in teaching and quality leadership. This is an education that meets the needs of the learner, preparing them for future success.

Statewide Services provides the services and supports required by schools to enable student achievement, with a focus on those students and schools that need it most. It encompasses both school and system-facing service delivery. While it primarily exists to support schools, it also has an important system-facing role supporting strategy and policy development.

Service Design and Support provides the shared functions and support needed to provide better services to schools. It also coordinates, implements and supports programs, initiatives, and special projects. Its purpose is to provide strategy, policy and program oversight and operational support to Statewide Services.
