

Graduate Officer - Compliance and Investigations - Level 3 (MIS22212)

Group:	Industry Regulation and Consumer Protection	Location:	Perth
Division/Directorate:	Property Industries	Supervises:	0
Branch:	Investigations	Reports to:	General Manager Investigations
Section:	NA		

Operational Context

Within the Consumer Protection Division the Property Industries Directorate is responsible for directing a programme of dispute conciliation, proactive compliance and reactive compliance to effectively detect, deter and remedy improper practices relating to property industries regulated by the Consumer Protection Division of the Department Mines, Industry Regulation and Safety.

Role Overview

The graduate will carry out a range of functions during rotations through different divisions of the Department, and possibly through other WA Government departments before returning to a position in the Property Industries Investigations Branch.

Role Responsibilities

(The following outlines the key responsibilities and duties related to this position)

- Carries out designated research, policy and project activities to support business objectives, both individually and as part of a team.
- Collaborates with internal and external stakeholders to provide and receive information as required.
- Builds on relevant tertiary education with corporate knowledge, and applies professional expertise to support and enhance business activities.
- Develops a sound understanding, knowledge and experience of the operations of the Department.
- Actively participates in on-the-job learning including training activities provided through the graduate learning and development program.
- Contributes and adopts digital practices in alignment with departmental approaches.
- Roles may vary with each placement but are all contained in the above general statements.

Corporate Responsibilities

(The following outlines departmental responsibilities)

- Contributes to the achievement of corporate objectives by ensuring that stakeholders are dealt with in a professional and timely manner.
- Works within corporate policies and procedures, acts with integrity and demonstrates ethical behaviours aligned with the Department Code of Conduct.
- Performs other duties as directed.
- Takes reasonable care to protect your own safety and health at work, and that of others by co-operating with the safety and health policies and procedures of the department and complying with all applicable work health and safety laws.

Role specific requirements

(The following outlines what experience and qualifications are required to fulfil this role)

- Bachelor degree with a focus in Law, Intelligence Analysis, Investigation or an approved equivalent (degree to be completed in the current or preceding calendar year).
- The graduate program is an equity and diversity employment initiative and therefore we are actively looking for recent university graduates from any of the following diversity groups to apply:
 - people 24 years and under
 - people with disability
 - Aboriginal and/or Torres Strait Islander people

Capabilities Required

(The following outlines the behaviours required to be demonstrated to perform this role)

- Adheres to the Code of Conduct, acts with integrity and behaves in an honest, professional and ethical way.
- Shows willingness to learn and develop expertise to achieve goals and tasks set.
- Works collaboratively with team members and external stakeholders and treats people with respect and courtesy.
- Able to write a range of documents and communicate clearly and effectively with various internal and external stakeholders.
- Proven ability to research, analyse and interpret information and report on findings.
