SOUTH WEST

Landscape Photos: Tourism Western Australia

**Position Title**

**Position number: Various**

**Consultant – Psychiatrist**

## Regional Profile

The South West is located in the southern-western corner of Australia and covers an area of nearly 24,000 square kilometres. It is Western Australia’s most popular tourist destination and has unique biodiversity and a rich natural environment. The Regional Health Service offers two (2) main health facilities at Bunbury and Busselton. The Health Service is also widely supported with a network of smaller hospitals and Multi-Purpose Service (MPS) sites at: Augusta, Boyup Brook, Bridgtown, Collie, Donnybrook, Harvey, Margaret River, Nannup, Northcliffe, Pemberton and Warren.

## About the WA Country Health Service

### Our Strategic Priorities

### Our Values

#### Community

We live and work in country communities. We are invested in the health, wellness and viability of country communities and the vibrancy, diversity and future of country WA.

#### Compassion

We are inclusive, respectful, and considerate. We care deeply about the people in our care and country communities.

#### Quality

We provide safe, high-quality care, constantly striving to innovate, improve and achieve trust in our care.

#### Integrity

We bring honesty, collaboration and professionalism to everything that we do.

#### Equity

We are passionate about fairness in healthcare for all Western Australians, especially the most vulnerable and disadvantaged people and communities.

#### Curiosity

We continually enquire and seek to understand, using the best evidence, insight and research to improve care.

### Our Vision

To be a global leader in rural and remote healthcare.

### Our Mission

To deliver and advance high quality care for country WA communities.

Position Title: Consultant – Psychiatrist	Position Number: Various	Classification: MP Year 1-9
---	--------------------------	-----------------------------

## Directorate overview

WA Country Health Mental Health Services delivers an evidence-based, patient centred, caring, safe, respectful and inclusive mental health system. The Mental Health Service provides assessment, treatment and multidisciplinary care for consumers experiencing acute and severe mental health problems in both inpatient and community settings, and supports them and their families/ carers throughout the care pathway.

Our Service actively supports and encourages diversity and inclusion across all occupational groups through the development and implementation of initiatives aimed at accessing and improving employment and mentoring opportunities for all people. Our strategies are located at [www.wacountry.health.wa.gov.au](http://www.wacountry.health.wa.gov.au)
