

Staff at Leonora District High School CARE

► Consider

- We consider other people and their feelings
- We consider other people's ideas
- We are considerate of common spaces
- We consider how we speak to others

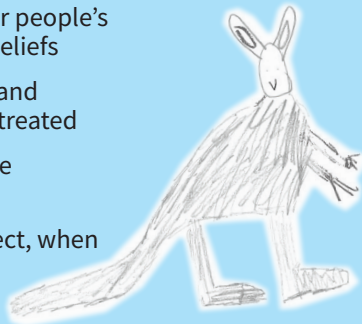

► Achieve

- We celebrate everyone's success
- We look for the positives in people's actions
- We clarify the task and seek assistance when required
- We collaborate and work together to achieve school targets

► Respect

- We are respectful of other people's cultures, identities and beliefs
- We treat all staff equally and how we would like to be treated
- We show respect and care of school resources
- We listen and show respect, when others are speaking

► Engage

- We engage with students and the wider community to show a united approach
- We engage professionally and socially with each other
- We use evidence based practices to provide the best pathways for our students
- We have a whole school collaborative approach to all phases of schooling
