

Job Description Form

Community | Compassion | Quality

Integrity | Equity | Curiosity

Position Title

Position number: Various WACHS Sites

Registrar – Service and Trainee Generic

The primary function of WACHS registrars is to provide high quality clinical care to patients within WACHS facilities.

The role will vary between hospitals and departments depending on level of experience of the registrar and the services provided by the relevant service.

About the WA Country Health Service

Our Strategic Priorities

Our Values

Community

We live and work in country communities. We are invested in the health, wellness and viability of country communities and the vibrancy, diversity and future of country WA.

Compassion

We are inclusive, respectful, and considerate. We care deeply about the people in our care and country communities.

Quality

We provide safe, high-quality care, constantly striving to innovate, improve and achieve trust in our care.

Integrity

We bring honesty, collaboration and professionalism to everything that we do.

Equity

We are passionate about fairness in healthcare for all Western Australians, especially the most vulnerable and disadvantaged people and communities.

Curiosity

We continually enquire and seek to understand, using the best evidence, insight and research to improve care.

Our Vision

To be a global leader in rural and remote healthcare.

Our Mission

To deliver and advance high quality care for country WA communities.
