Position Title

Position number: 200484

Registered Nurse

Regional Profile

WACHS Kimberley is the most northern health region of WACHS. The Kimberley region has approximately 200 Aboriginal communities, over 34 different Aboriginal language groups and 45 percent of the population are Aboriginal and/or Torres Strait Islander people. WACHS Kimberley consists of six hospitals, an inpatient mental health unit, three Community Directorates and a Corporate Office. WACHS Kimberley provides hospital, community health, public health, remote area health, community aged care, and mental health services across the region through a dedicated team of medical, nursing, Aboriginal health, allied health and support staff.

About the WA Country Health Service

Our Strategic Priorities

Our Values

Community

We live and work in country communities. We are invested in the health, wellness and viability of country communities and the vibrancy, diversity and future of country WA.

Compassion

We are inclusive, respectful, and considerate. We care deeply about the people in our care and country communities.

Quality

We provide safe, high-quality care, constantly striving to innovate, improve and achieve trust in our care.

Integrity

We bring honesty, collaboration and professionalism to everything that we do.

Equity

We are passionate about fairness in healthcare for all Western Australians, especially the most vulnerable and disadvantaged people and communities.

Curiosity

We continually enquire and seek to understand, using the best evidence, insight and research to improve care.

Our Vision

To be a global leader in rural and remote healthcare.

Our Mission

To deliver and advance high quality care for country WA communities.
