How do I apply?

Lotterywest is a State Government statutory authority. We're required to follow the Public Sector Commissioner's employment standard as set out in the Commissioner's Instructions. Please read the following steps to give you the best chance of success with your Lotterywest job application.

Step 1: Read the role statement

The role statement is a high-level document outlining the key responsibilities and the skills required for the position. The role statement is used to assess your application, assess your performance once in the position and develop your skills.

Step 2: Prepare your application

If your skills match those required, you're off to a good start. Now you will need to prepare a formal application. Usually, you will need to include a cover letter and your curriculum vitae.

When preparing your cover letter please refer to the job advertisement for specific direction on what your application needs to include and the attached job description that details the essential criteria required for the role.

Your curriculum vitae (CV or resume) should include:

- Your name, address and contact telephone number(s).
- Your email address.
- A concise description of relevant work experience, achievements and the dates of your employment.
- Your education qualifications and training courses.
- Contact details of your referees.

Step 3: Submit your application

Your application will need to be submitted by the date and time stated in the advertisement.

Please give yourself enough time as we're unable to accept late applications. Please submit your application online through the Jobs.wa.gov.au website.

Step 4: Lotterywest's recruitment process

Lotterywest is committed to best practice recruitment standards. This ensures fairness in the process and that the most suitable person is appointed. We follow the below principles:

- Conducting a thorough merit-based assessment which matches a candidate's skills, knowledge and abilities relevant to the requirements of the job and the outcomes sought by the public sector, which may include diversity.
- Making sure the process is open, competitive and free of bias, unlawful discrimination, nepotism or patronage.
- Arriving at decisions that are transparent and capable of review.

Step 5: Applicants suitable for interview

If you are assessed as a suitable candidate to progress to the next stage, you will be invited to an interview.

Step 6: Have I been successful?

After you interview, we endeavour to notify you of the outcome of your application as soon as possible.

Step 7: Successful applicants

Once the selection process is complete, if you're the successful applicant, you will be notified as the 'recommended applicant' for the position.

At the same time, unsuccessful applicants will be notified and offered the opportunity to receive feedback or they may request a review of the outcome.

This process is known as the Breach of Standards process and usually takes four (4) working days. Once this period is over and provided a substantiated claim has not been lodged, you will be notified in writing that you are officially the 'successful applicant' and a new Lotterywest staff member!

Step 8: Unsuccessful applicants

If you're unsuccessful, you will be notified in writing when the selection process is complete.

You will also be provided with information about who to contact for feedback and how to seek a review of the process, if you feel your application wasn't handled in accordance with the standards in Step 4.

Through the Breach of Standards process unsuccessful applicants have four (4) working days to apply for a review. The assessment will focus on the recruitment process, not on the competing merits of an unsuccessful applicant.

If you'd like to apply for a review of the selection process you will need to do this in writing to the Senior Human Resources Officer on HumanResourceServices@lotterywest.wa.gov.au.
