

WA Country Health Service (WACHS) Values

6 WACHS Values

Please supply an example below of how you have displayed each of the 6 WACHS Values in clinical practice during your work history. We have outlined the WACHS values and added the Behavioural expectations under each value, please complete the example sections below with your examples against each in no more than 200 words per example.

This response will be factored into your suitability for the position of a WACHS Registered Nurse or Registered Midwife. Please ensure your responses also demonstrate your skills, attributes, knowledge and qualifications relevant to the essential work related essential criteria, which can be found on the attached JDF.

Community

We live and work in country communities. We are invested in the health, wellness and viability of country communities and the vibrancy, diversity and future of country WA.

Example:

Compassion

We are inclusive, respectful and considerate. We care deeply about people in our care and country communities.
