# Step 1: Ensure eligibility

To be eligible for permanent appointment to the WA Public Sector, it is essential you:

- have permanent residency status in Australia; or
- are a New Zealand citizen with a Special Category Visa. A New Zealand citizen who enters Australia on a current New Zealand passport is granted a Special Category Visa which enables them to remain indefinitely in Australia with unrestricted work rights.

Applicants that do not meet the above requirements will only be eligible for employment opportunities of a fixed term appointment nature.

If successful, the Department will request a copy of your passport so your visa status can be confirmed.

Public Sector employees who have accepted a voluntary severance are not eligible for appointment up to the re-entry date stated on their deed of severance.

If you are found suitable or you are recommended for an appointment at Treasury, your appointment will be subject to a satisfactory National Police Clearance which the People and Culture Team will send to you for completing at the end of the recruitment process.

## Step 2: Prepare your application

To determine that you have the right knowledge, skills and experience for the role, look at the:

- 1. Role Statement;
- 2. Capability Framework; and
- 3. advertisement.

Once this has been determined you can start your application.

Most of our roles require you to submit a curriculum vitae (CV) as well as address specific questions or criteria.

Your CV should be up-to-date and will need to include a description of your relevant work experience preferably starting with the most recent periods (include dates). If possible, include a brief description of your duties and responsibilities for each job and outline your key achievements for each role. In addition, your CV should include your education and training. You may also like to include activities that you have undertaken outside of work which demonstrate experience/skills that are relevant/transferable to the advertised position.

Nominate two referees (at least one will need to be a current or previous supervisor) who can comment on your skills, abilities, depth of experience and work performance. Referees will often be required to return completed reports within one week of your interview, therefore it is important to keep your referees informed during the process. Please do not provide written references with your application.

#### Step 4: Selection process

Treasury is committed to undertaking a 'proper assessment of merit' to ensure that the most suitable people are appointed. At all stages in the recruitment process the panel will be determining suitability based on a thorough assessment of the applicant's ability to meet the capabilities outlined in the Treasury Capability Framework. All recruitment decisions will be transparent and capable of review. All recruitment, selection and appointment processes are in accordance with the Commissioner's Instruction 1: Employment Standard, which establishes the minimum standards of merit, equity and probity to be complied with when filling a vacancy.

The panel will assess all applications and agree on a shortlist of the most competitive applicants. If you are considered suitable at shortlisting, you will be advised on what the next step in the process will be. This may include an interview and/or another form of assessment (e.g. work sample test, presentation, group exercise). In each case, the panel will assess your suitability to the position using the essential capabilities and any other role specific requirements outlined in the advertisement.

At all times throughout the selection process applicants will be kept informed either through email or telephone.

### Step 5: Notification to applicants

Once a decision has been made by the selection panel and the process has progressed through the necessary approval points, all applicants will be notified advising the outcome of the selection process.

In most cases, if you have been unsuccessful, you will be advised by email and be given the opportunity to seek feedback from the panel. You will also receive notification of the breach process and the process by which to apply, should you believe the Employment Standard has been breached.

You will have a minimum of four working days to apply for a breach of standard claim and will need to lodge this claim in writing stating how you believe the Standard has not been applied.

Please note, recommendations to positions, are always subject to a breach period and your appointment will not be confirmed until the end of the four (4) day breach period (or longer if the letter states).

Thank you for your interest in working for the Department of Treasury and good luck with your application!
