00012060	Deputy Chief Medical Imaging Technologist	Level P4
----------	---	----------

Positions under direct supervision:

Nil.

Key Responsibility

- Interprets radiological requests and performs medical imaging procedures at Perth Children's Hospital and King Edward Memorial Hospital in accordance with radiation safety principles and departmental and hospital policy.

About our health service

The Child and Adolescent Health Service (CAHS) is a comprehensive service that supports and treats children from around Western Australia, and is committed to programs that promote lifelong health in children and adolescents.

CAHS is made up of four service streams:

- **Neonatology:** Neonatology provides state-wide tertiary neonatal services to the sickest newborn babies and infants in Western Australia.
- **Community Health:** a comprehensive range of community based early identification and intervention services, as well as health promotion, to children and families in the Perth metropolitan area. Services are provided in a variety of settings including at home, local community health centres, child and parent centres and schools.
- **Child and Adolescent Mental Health Services (CAMHS):** provide mental health services to infants, children, young people and their families across the Perth metropolitan area. Services include community based programs, inpatient care at Perth Children's Hospital and specialised services for children with complex mental health conditions across the State.
- **Perth Children's Hospital (PCH):** is the specialist State-wide paediatric hospital and trauma centre for Western Australia, caring for children up to the age of 16. PCH is also a centre of excellence for teaching and research, partnering in major paediatric research and education initiatives led by the Telethon Kids Institute (TKI) and the State's universities.

Our vision

Healthy kids, healthy communities

Our vision of 'healthy kids, healthy communities' sees that children and young people get the best start in life through health promotion, early identification and intervention and patient centred, family-focused care.

Our objectives

Care for children, young people and families

Provide high-value healthcare

Collaborate with our key support partners

Value and respect our people

Promote teaching, training and research

Our values drive us

CAHS promotes a values based workplace culture and all employees are expected to translate our values into action by providing high quality care through:

Compassion

I treat others with empathy and kindness

Excellence

I take pride in what I do, strive to learn and ensure exceptional service every time

Collaboration

I work together with others to learn and continuously improve our service

Accountability

I take responsibility for my actions and do what I say I will

Equity

I am inclusive, respect diversity and aim to overcome disadvantage

Respect

I value others and treat others as I wish to be treated

Summary of accountabilities

1. Professional

- Interpret radiological requests and provide appropriate diagnostic images in accordance with the As Low As Reasonably Achievable (ALARA) principle, the Radiation Safety Act and departmental and hospital policy.
- Maintain records of the examination in accordance with statutory requirements and departmental policy.
- Liaise with medical and other staff regarding diagnostic imaging procedures and services.
- Maintain optimum equipment function using established work practices and quality controls.
- Ensure patient welfare, privacy and safety.
- Assist in the supervision of Curtin University medical imaging students on clinical placement.
- Participate in the day to day organisation of the department and its services.

2. CAHS governance, integrity, safety and quality requirements

- Commits to undertake the duties of the role in accordance with the WA Health Code of Conduct; the CAHS Vision and Values; and CAHS commitment to protecting children and promoting their safety.
- Maintains a safe work environment by taking reasonable care for own health and safety and that of others.
- Undertakes duties to an agreed performance standard to support safe, high-quality health care with a focus on continual improvement, efficiency, effectiveness and sustainability.
- Directly or indirectly supports the delivery of safe patient care and the consumers' experience ensuring services are family centred.
- Contributes to continuous quality improvement activities by identifying, facilitating or participating in practices in accordance with the requirements of the National Safety and Quality Health Service (NSQHS) Standards, health service strategic direction and the WA Public Sector.
- Completes mandatory and core requirement training as relevant to the role and service.
- Performs duties in accordance with WA Public Sector, WA Health, CAHS and other specific service policies and procedures and applicable legislative obligations under *Public Sector Management Act (WA) 1994*, *Health Services Act (WA) 2016*, *Work Health and Safety Act (WA) 2020*, *Disability Services Act (WA) 1993* and the *Equal Opportunity Act (WA) 1984*.
- Actively contributes to the development of the health service by undertaking other duties as directed including additional tasks or projects in line with continual improvement, collaboration and sustainable health initiatives.

Work related requirements

The following criteria should be considered in the context of the CAHS Vision, Objectives and Values.

Essential selection criteria

1. Tertiary Qualification in Medical Imaging and eligible for registration with the Medical Radiation Practice Board of Australia and licensing with the Radiological Council of WA.
2. Ability to communicate effectively with paediatric patients and with parents/carers and staff assisting the imaging procedure.
3. Knowledge and adherence to ALARA principles.
4. Ability to operate effectively as a member of a team.
5. Ability to perform high quality paediatric radiography.
6. Demonstrated commitment to own continuing professional development.
7. Knowledge of continuous improvement principles and methodologies.
8. Willingness to work at associated Medical Imaging Departments.
9. Current and valid driver's licence.

Desirable selection criteria

1. Previous experience in paediatric radiography.
2. Current knowledge and commitment to Equal Opportunity in all aspects of employment and service delivery.

Appointment to this position is subject to the following:

- Evidence of current registration with the Medical Radiation Practice Board of Australia and licensing with the Radiological Council of WA must be provided prior to commencement.
- Working with Children (WWC) Check, compulsory check for people who carry out child-related work in Western Australia.
- Evidence of current and valid driver's licence.
- Provision of the minimum identity proofing requirements in line with the standards set by the National Security Strategy.
- Successful criminal record screening clearance.
- Successful pre-employment integrity check.
- Successful pre-employment health assessment.
