**KEY DELIVERIES****Culture of Safety, Health and Wellbeing**

- Lead in building a culture of work health and safety (WHS) across the Region's multidisciplinary workforce.
- Promote the philosophy that "safety is everyone's responsibility" and coach and mentor workers in safety matters.

**SHW Management**

- Manage Main Roads' SHW Standards and WHS Legislative requirements and controls in the workplace to maximise work safety and minimise a risk of Lost Time Injuries (LTI's).
- Manage workforce participation and performance to SHW Standards as detailed in Main Roads' SHW Management System and in particular the Section on "SHW Roles and Responsibilities Procedure".
- Manage identification and elimination of SHW hazards and risks by implementing and monitoring appropriate controls.
- Manage development and implementation of Health and Safety Plans according to Main Roads' SHW Standards and WHS Legislative requirements that will create and maintain a safe workplace.
- Manage safety evaluation of work practices, procedures and facilities to assess risk and compliance to applicable Main Roads' SHW Standards and WHS Legislative requirements and implement appropriate/corrective actions, as required.
- Manage safety risk assessment prior to starting a new project or works program.
- Review SHW training and competency requirements, including safety inductions, and relevant licences/certificates required for the safe use of Plant and Equipment.
- Manage fitness for work requirements including alcohol and other drug testing in consultation with the corporate SHW Section.
- Manage the investigation of incidents provide specialist advice and input to review of contractor incident investigations, site inspections and audits.
- Manage safety audits, compliance and inspection schedules in consultation with corporate SHW Section and regional requirements.
- Manage implementation of the corporate wellbeing program for the region (including skin checks and flu vaccinations) in collaboration with corporate SHW Section.

**Leadership and Management**

- Provide exemplary leadership in following corporate SHW directions, initiatives and WHS Legislative requirements.
- Professionally collaborate and engage as a member of the Regional Management Team.
- Manage employee behaviour, performance and development.
- Manage financial, technological, physical and other resources within agreed allocations to meet agreed outcomes.

**Stakeholder Relationships**

- Build and maintain collaborative working relationship with the Corporate SHW Section for effective implementation of corporate SHW directions and initiatives and WHS Legislative requirements.
- Build and enhance working relationships with internal regional stakeholders, including project managers, maintenance supervisors and work crews, enabling effective collaboration in the delivery of regional works and projects.
- Build and maintain working relationships with external regional stakeholders, including local government and contractors.

**SAFETY, HEALTH AND WELLBEING (SHW)**

Responsible for active participation and performance to SHW standards as detailed by the Main Roads' Safety, Health and Wellbeing (SHW) Management System - refer to "SHW Roles and Responsibilities Procedure" on 'iRoads' intranet.

**LOCATION**

Main Roads is a regionalised organisation with key delivery centres operating from the Kimberley to the Great Southern regions, including the metropolitan area. The incumbent of this position may be required to undertake a role in a region for a period of time.
