EMHS Vision and Values

Our Vision

***Healthy people, amazing care.
Koorda moort, moorditj kwabadak.***

Healthy people refers to the commitment we have as an organisation to ensure our staff, patients and the wider community have access to comprehensive healthcare services, in order to maintain healthy lives.

Amazing care reflects the sentiment of those consumers accessing our healthcare services from feedback provided to us. This common statement resonates with the health service, and reflects our intentions in our practice and work every day.

As a health service which celebrates diversity of culture and languages, it is also important that our vision is shared in the Noongar language.

Our Values

Our Values reflect the qualities that we demonstrate to each other and our community every day. Our staff make a difference every day to the patients, families and consumers they provide care, advice and support to. The EMHS values capture the shared responsibility that we uphold as most important, which are:

- **Kindness** – kindness is represented in the support that we give to one another. This is how we demonstrate genuine care and compassion to each and every person.
- **Excellence** – excellence is the result of always striving to do better. This is represented by constant improvements to the way in which we deliver our services, which results in a high performing health service.
- **Respect** – we demonstrate respect through our actions and behaviours. By showing each other respect, in turn we earn respect.
- **Integrity** – integrity is doing the right thing, knowing it is what we do when people aren't looking that is a true reflection of who we are.
- **Collaboration** – collaboration represents working together in partnership to achieve sustainable health care outcomes for our community with a shared understanding of our priorities.
- **Accountability** – together we have a shared responsibility for ensuring the best health care outcomes for our community. This is a reminder that it is not only our actions, but also the actions we do not do, for which we are accountable.
